*Proceedings of the Madras Government, Revenue Department,*
*12th September* 1873.

No. 84. Read the following Proceedings of the Board of Revenue, dated 20th August 1873, No. 1,614, Forest No. 42:—

Read the following letter from W. McQUHAE, Esq., Collector of Madura, to J. GROSE, Esq., Secretary to the Board of Revenue, dated 25th July 1873, No. 235:—

WITH reference to the Board's Official Memorandum, No. 1,033, dated 11th July 1873, I have the honour to state that all the Zemindari Forests must be carefully examined and valued by the Deputy Conservator before definite proposals for acquiring them can be submitted. The largest forests are in Bodinaiknur and Guntamanaiknur, now under the Court of Wards, and I have a very vague idea of the real value of the forests in the seven other small estates. There are no forests in Rámnad or Shevagungah.

1. Tevaram.
2. Yerasakanaiknur.
3. Kannivady.
4. Ayagudi.
5. Velur.
6. Ammainaiknur.
7. Madura Devastanam.

---

SUBMITTED to Government with reference to paragraph 7 of G. O., dated 24th October 1872, No. 1,475.

2. An early opportunity should be taken to detach a competent officer for this special duty.

---

No. 85. ORDER THEREON, 12th September 1873, No. 975.

THE work referred to should be undertaken by Mr. Williams, the Deputy-Conservator of Madura, concurrently with his ordinary duties. If any report on the forests on the Madura Hills by the Inspector of Forests is now before the Board, it should be submitted to Government without delay.
