The Secretary to the Board of Revenue

Sir,

On the report of the Charge of Bontha
pilly in Berhampore Taluk, the land held
by one Syamaganapadhi a Ryot in the village
was measured in Fasli 1279 and found
to contain as per marginal statement ^{A & V.C.} 4-11-3-2
assessed at Rs 6-13-7 in excess of that entered
in his puttah. The excess was accordingly
added to his puttah from Fasli 1279.

2. Syamaganapadhi however having
disputed the correctness of the measurement
a second measurement was made in Fasli 1280
which brought down the excess to an extent of
only ^{A & V.C.} 2-26-11-2 assessed at Rs 4-10-11. The dif-
ference of ^{A & V} 1-24-8 assessed at Rs 2-2-8 between
the first and the second measurements was

As per measurement in Fasli 1279	Extent Acres	As per Fasli 1279	As per Fasli 1280	Excess found

not however deducted from the accounts on the ground that it was below 10 per cent on the whole extent of the land measured.

3. Lyamaghanaipadi having repeated his complaint before me at the late Jamabandi of the Berhampore Taluk to have the deficit discovered in his holding deducted from his puttah, I considered his request a reasonable one and directed the same to be written off the accounts from Fasli 1282.

4. Lyamaghanaipadi now claims the refund of the amount overpaid by him since Fasli 1279 when the excess on the first measurement was brought to account. Under the circumstances stated above, I think it just to grant the refund asked for and have therefore the honor to request the sanction of the Board for the refund of Rupees 6-8-0 being the amount overpaid by him for the three fashis of 1279, 80 and 81 at Rupees 2-2-8 a year.

The collector should have stated the dates on which the money was credited to Government. As however a portion at least of the amount seems to have been credited more than two years ago, the Board submit the application for refund for the sanction of Government
