17th September 1873.*

No. 130. Read the following letter from R. KNIGHT, Esq., Assistant Secretary to the Government of Bengal, in the Agricultural Department, to the Hon. W. HUDLESTON, Chief Secretary to the Government of Madras, dated Calcutta, 4th September 1873, No. 2,591:—

In continuation of this office letter, No. 2,141, dated 4th August 1873, asking for information as to the quantity of jute exported from Madras to the United Kingdom during the last ten years, I am directed to request that, with the permission of His Excellency the Governor, you will be good enough also to state, for the information of the Lieutenant-Governor of Bengal, where the jute exported from Madras is grown.

2. I am further to inquire whether the article exported is certainly jute, as His Honour is assured that hemp is sometimes called jute by shippers.

3. His Honour would be glad to be furnished, if possible, with seed-pods of the fibres exported from Madras.
