MISCELLANEOUS No. 2205

REVENUE DEPARTMENT.

PROCEEDINGS OF THE BOARD OF REVENUE.

Dated 8th April 1873.

Read the following

No. 21

From

W. D. Horsley Esqre
Collector of Cuddalore

To

J. Grose Esqre
Secretary to the Board of Revenue Madras

SIR,

I have the honor to submit for the favourable consideration of the Board of Revenue a list of 17 public servants who are entitled to be exempted from the General Test Examination on the score of their having been employed previous to 1859.

2. The servants Nos 1, 3, 4, 10, 13, 15 and 16 have since been continuously in the public service, but those numbered 2, 5, 7, 8, 9, 11, 12 and 14 have breaks of short periods in their service on account of reduction of establishment &c

3. The individual numbered 6 Desayi Lachi Reddi was entertained first in 1854 as Acting Munshi in Porayar Talug. Although he has not been since continuously in the public service yet

yet he has managed to earn 14 years 2 months and 21 days service by the end of last year (1872). He holds testimonials of good character given by the officers under whom he has served, and is highly spoken of by the Zahsildar of Proddatur under whom he is at Gunnadah now.

4. K. Munisamy Pillay the last (3rd) individual was also entertained previous to 1857, but was obliged to resign his appointment on account of ill health in 1858. Again he was employed in 1863 under the Collector and since then his service has been continuous.

I have &c

Cuddapah Collector's Office
On Circuit at Pullampett
8th March 1873

(Sd.) W. D. Horsley
Collector

These cases in which 17 officers of long service fall within the General Test Examination Rules either because their earliest service was nominally in ineligible grades though they were really employed as clerks, or because there are breaks in their service attributable to no fault, or for both reasons will be submitted for the favourable consideration of Government.

The Board think that under the spirit of the rules they ought all to be exempted from the General Test Examination.
