The Secretary to the
Board of Revenue,
Madras.

SIR,

The newly constructed Civil Dispensary at Gooty is erected on a piece of Inam Land. The quit rent due on this land has usually been paid by one Ramakrishnaiah who agreed to give up the land on payment of compensation.

2. Now however it appears that there are co-sharers whose names are also in the accounts, and they cannot agree among themselves as to the share of the compensation each should have.

3. Such disputes can only be referred to the Civil Court under Section 15 of the Land Acquisition Act

E

(X of 1870). Under these circumstances I wish to take possession of it under the Act, and have therefore the honor to request that you will be good enough to obtain the sanction of Government for the same. The rest of the Drain is now required for a Kutchery for the Sub Collector.

4. I beg to enclose a draft Notification for publication in the Fort Saint George Gazette. A sketch plan of the land also accompanies and I request that it may be returned.—

Collector.

Submitted for the orders of Government.

2. It is proposed to enforce the provisions of the Land acquisition Act. No. X of 1870 to obtain for the construction of a Civil dispensary and Sub Collector's Office at Gooty, a piece of Inam land which cannot be acquired otherwise owing partly to the ownership being disputed and partly to the ostensible claimants not being agreed as to the amount of compensation each is entitled to receive.

3. The Board do not find from the statement of the parties received with the second of the letters recorded at the head of these Proceedings that the Inamdars have any objections to offer to the acquisition of the land; and accordingly resolve to submit the draft declaration for approval and publication.

4. The Board believe that the Dispensary is already built and the Sub Collector's Office is nearly finished.-
