MISCELLANEOUS No. 2232. REVENUE DEPARTMENT. 201

PROCEEDINGS OF THE BOARD OF REVENUE.

Dated 9 April 1873.

Read the following

No. 46.

From The Ag. Collector of Trichinopoly

To The Secretary to the Board of Revenue Madras.

Sir,

Adverting to the Proceedings of the Board No. 4733 dated the 8th July 1872. I have the honor to request that I may be allowed to renew the application in behalf of T. Sami Iyer for exemption from passing the General Test Examination and for permission to pass in Tamil the undermentioned Special Tests—

III B- Revenue Lower
II B- Criminal Lower
VIII B- Precis Lower

2. As the Board will perceive from the accompanying copy of his Service Register, Sami Iyer entered the Government Service in January 1858 and held acting appointments on 3 different occasions in that year. He was permanently appointed by

M

Mr Bird in August 1859 and has ever since been in continuous service. He is an intelligent active and industrious public servant and one of the best Revenue Clerks in the office. he is in short conversant with every branch of public business. Messrs Banbury and Webster have recorded their opinions of the efficient and satisfactory manner in which he has conducted his duties. Messrs Wright Depy Collector and Moore Assistant Collector under whom he has served speak very highly of his qualifications and are of opinion that he would make an excellent Revenue Inspector or Taluq Sheristadar.

3. His only defect is his utter ignorance of the English language and he cannot fairly be expected to learn that language hereafter, but looking to his qualifications in other respects, his thorough knowledge of business and his usefulness, I venture to make this special recommendation in his behalf, as otherwise his services except in very subordinate positions may be lost to the State, and will at any rate lack the stimulus afforded by the hope of promotion. —

Submitted for the favourable consideration of Government.

As Sami Iyer has virtually been in the public service since 1858 though not confirmed till August 1859, the Board are of opinion that he should have the benefit of the exemption accorded to permanent employees of that standing.
