J. R. Cockerell
for Commissioner

Resolved that the Title deeds and Plan in duplicate received with the foregoing letter be submitted for the seal of Government.

The

The deed has been signed by an agent of the Proprietrix but the writing at the close of the deed and the clause commencing with the words "signed sealed & made it appear that the deed was actually signed, sealed and delivered by the Proprietrix herself. The words "Loc Gelis agent of" should be inserted before "Marian Williams" in both these places to prevent misapprehension.

4. The locality at which the deed was executed has not been specified.

5. The word "nil" or a similar expression should have been written in the column headed "name if any" in the schedule attached to the deed and the rest of the blank space filled up with a ruled line.

6. There is some writing below the words "Gelis" in the signature of the agent which is unintelligible.

7. The designation of the western boundary of the property has not been entered in the plans

8. When deeds are signed by proxy as in the present instance the authority under which the agent signs the deed should be cited in the addition to his signature and the Power of Attorney attached to the Copy of the deed which may be retained in the Commissioner's custody.
