I would adopt the
Hon'ble Board's

FOR ORDERS.

C 28 Appx. R. 1 May

Miscellaneous № 2359. Revenue Department.

Proceedings of the Board of Revenue.
Dated 19th April 1873.
Read the following

№ 296

From
H. S. Thomas Esquire
Collector of South Canara

To
J. Grose Esquire
Secretary to the Board of Revenue,
Madras.

Sir,

I have the honor to report, for the information of the Board of Revenue, that the result of the last Special Test Examination has been unfavorable to the following two servants in this District whose retention in their present posts was sanctioned by Government in their Proceedings noted in the margin conditionally on their passing the prescribed tests during the present Year.

(1) G. O. 11th March 1872 № 70
(Board's Mis. Pro. 15 idem
№ 1989

J. F. D'Rozario - Asst. Superintendent of Sea Customs - Kundapur.

S. Balkrishtappa - Taluq Sheristadar of Kassergode, since transferred to Kundapur.

2. Of these J. F. D'Rozario is comparatively young in the Service, and is by no means unequal to the task of applying himself anew to the study of the few subjects prescribed for the Sea Customs Test. He has therefore reverted to his former post in my office.

3. The case of S. Balkristasspa is different. He is a servant of considerable standing, (1) 22 Years and, as will be seen from the enclosed copy of his service Register, has passed almost the whole length of his service in the Account Branch of the Revenue Department. He is so well trained in this particular branch that he was one that very soon selected by my predecessor to fill the post of Taluk Sheristadar at Kasargode where the Account Department had fallen into a state of great confusion during the incumbency of his predecessor Acharya Rama Row, but which has now recovered through the exertions of S. Balakristasspah. While possessing the superior qualifications for an Accountant Balkristasspa has not at the same time shown himself unfit for the duties of a Magistrate of an ordinary standard such as a Taluk Sheristadar Sub-Magistrate of the old School may be expected to be. He is however rather too advanced in

years

Years to be able to undergo that regular course of study which is necessary to enable a man to pass successfully the Special Tests prescribed for a Taluk Sheristadar's post. This is the second instance in which Balkrishappa has failed, and I do not think he would succeed even if another opportunity were allowed him; still I should be sorry to see a servant of such deserts and standing disappointed and disheartened.

4. I have therefore the honor to recommend that, in consideration of his long service and practical fitness for his present post, the sanction of Government may be obtained for an exemption from Examination.

I have &c.
(Signed) H. S. Thomas
Collector.

South Canara
Collector's Office

11th March 1873.

Submitted for favourable consideration.

The Board think S. Balkrishappa should be confirmed in the post of Taluk Sheristadar, but would not grant any general

general exemption from the Examination rules in his case.
