No. 32. From Captain J. PENNYCUICK, R.E., District Engineer, North Arcot, to Colonel G. W. WALKER, R.E., Chief Engineer, Public-Works Department, Fort St. George, dated Vellore, 19th April 1873, No. 236.

3 Estimates.

With reference to your Memorandum, No. 134, dated 9th instant, I have the honour to inform you that, as the value of the five-eighths inch iron-bars of the windows in the Subsidiary Jail at Arcot proposed to be removed would not fetch a fair price from want of demands for the same, no allowance has been made for them, but when they are sold the realizations will be remitted in the Treasury to the credit of this Department.

2. The enclosures are herewith returned.

Transferred, with previous papers, to the Judicial Department.
