PROCEEDINGS OF THE BOARD OF REVENUE, dated 4th April 1873.

Read the following Proceedings of the Madras Government, dated 31st March 1873, No. 376, Revenue Department:—

ABSTRACT.—*Income-tax.*—Letter from Government of India on the subject of bringing all expenditure for its collection to an end by the earliest possible date, communicated to Board of Revenue for the issue of necessary instructions.

COMMUNICATED to all Collectors.

2. The Income-tax having been abolished, the establishments sanctioned last year will no longer be necessary for purposes of assessment. Any work that may yet remain to be done in connection with the closing of the Registers and the preparation of the second Half-yearly and Annual Returns should be finished as early as possible, and the establishments dispensed with by the 31st May 1873, if not earlier. No salaries will be passed to the Income-tax Establishments in the districts after that date.

3. In Madras there may be more than ordinarily heavy work to do in connection with the final closing of the Registers, etc., and the Collector will be requested to state if he can do without, his Income-tax Establishments also from the date above named, and if not, when and how far it can be reduced, and when it can be finally done away with altogether.
