„ Superintendent of Stamps,	„	22nd September	„ „	1,283.
„ „ of Government Farms, ..	„	28th August	„ „	633.

With reference to G. O., dated 25th July 1873, No. 780, the Board resolve to submit the accompanying list of periodical publications for which general sanction is required.

Almanacs.—At present a single copy only is supplied to each Collectorate, except Madras to which two copies are supplied. Some of the Collectors now apply for two copies, and the Collector of Cuddapah asks for seven copies for the use of his Divisional Officers, Treasury Deputy-Collector, and the Deputy Conservator of Forests. The Board consider that two copies should be supplied to each district, one for the use of the Collector, and the other for the use of the Sub-Collector or the Head-Assistant Collector where there is no Sub-Collector.

Director of Revenue Settlement.
Superintendent of Revenue Survey.
Superintendent of Stamps.
Superintendent of Government Farms.

For the officers noted in the margin only the number usually supplied is applied for.

Proceedings of the Madras Government, Revenue Department, 7th August 1874.

Nautical Almanacs.—The Superintendent of Revenue Survey includes in his [illegible] ten copies of Nautical almanacs. The Board observe that they are now supplied by the Secretary of State, and they are therefore struck off the list.

Bengal and Bombay Almanacs.—These are required only by the Collector of Sea Customs, Madras. He purchases them every [illegible]. It is not stated for what purpose they are required, but probably they are of use as they contain the Port rules, etc., of those Presidencies.

Sheet Calendar.—The Superintendent of Stamps alone has applied for a copy, which he has hitherto had to purchase. It may be sanctioned.

Vernacular Almanacs.—All Collectors have not applied for Vernacular Almanacs, but the Board think that each Collector may be permitted to purchase a copy for each Tahsildar and Sub-Magistrate.

Postal Guide.—A copy is necessary for each Collectorate, and the several controlling authorities, and the Board have accordingly provided the requisite number in the list, though some officers have not applied for them.

Army and Civil Lists.—Two copies are supplied to the Collector of Ganjam, while only a single copy is furnished to all other Collectors and controlling officers. The Board have now provided only a single copy for the Collector of Ganjam, as well as all other Collectors.

Railway Guide, or Great Southern India Fare Table.—This is required only by the Collectors of Railway Districts. Some [illegible] have applied for more than one copy, but the Board think that [illegible] each district through or near which the Railway passes will suffice. [illegible] number of copies is provided for the Superintendent of Revenue Survey, [illegible].

Indian Economist, Agricultural [illegible] of India, Statistical Reports.—Some Collectors have included these periodicals in their lists, but as they are now supplied direct by the Publisher under the orders of Government they are not included in the list herewith submitted.

Revenue Register.—The Commissioner of the Nilgiris alone applies for this, the Board however do not think it necessary.

Price Currents, Daily List of Exports and Imports published by the Chamber of Commerce.—The Collector of Sea Customs alone applies for these, and they may be allowed. They are now purchased by him.

Madras Railway Local Traffic Rates and Classification of Goods.—Madras Railway Interchange of Traffic with Foreign Railways.—These are required by the Superintendent of Revenue Survey. They may be sanctioned.

High Court Reports.—The Collector of South Canara applies for a copy, on the ground that a reference to the report is often necessary in disposing of applications for transfer of Puttas. The Government have in their Order, dated 17th September 1863, No. 1,710, ruled that these reports are not to be supplied to Collectors. The Board are, however, of opinion that these reports should be supplied to each Collector, and request that Government will reconsider the order above referred to. The works not included in the list herewith submitted.

2. Some of the periodicals entered in the list have been already purchased by Collectors, but the charges have not been passed pending the sanction of Government. It is requested that sanction may be accorded for the works already purchased, as well as for their purchase in future.

With reference to G. O., dated 25th July 1873, No. 780, the Board resolve to submit the accompanying list of periodical publications for which general sanction is required.

Almanacs.—At present a single copy only is supplied to each Collectorate, except Madras to which two copies are supplied. Some of the Collectors now apply for two copies, and the Collector of Cuddapah asks for seven copies for the use of his Divisional Officers, Treasury Deputy-Collector, and the Deputy Conservator of Forests. The Board consider that two copies should be supplied to each district, one for the use of the Collector, and the other for the use of the Sub-Collector or the Head-Assistant Collector where there is no Sub-Collector. For the officers noted in the margin only the number usually supplied is applied for.

Director of Revenue Settlement.
Superintendent of Revenue Survey.
Superintendent of Stamps.
Superintendent of Government Farms.

Nautical Almanacs.—The Superintendent of Revenue Survey includes in his list ten copies of Nautical almanacs. The Board observe that they are now supplied by the Secretary of State, and they are therefore struck off the list.

Bengal and Bombay Almanacs.—These are required only by the Collector of Sea Customs, Madras. He purchases them every year. It is not stated for what purpose they are required, but probably they are of use as they contain the Port rules, etc., of those Presidencies.

Sheet Calendar.—The Superintendent of Stamps alone has applied for a copy, which he hitherto used to purchase. It may be sanctioned.

Vernacular Almanacs.—All Collectors have not applied for Vernacular Almanacs, but the Board think that each Collector may be permitted to purchase a copy for each Tahsildar and Sub-Magistrate.

Postal Guide.—A copy is necessary for each Collectorate, and the several controlling authorities, and the Board have accordingly provided the requisite number in the list, though some officers have not applied for them.

Army and Civil Lists.—Two copies are supplied to the Collector of Ganjam, while only a single copy is furnished to all other Collectors and controlling officers. The Board have now provided only a single copy for the Collector of Ganjam, as well as all other Collectors.

Railway Guide, or Great Southern India Fare Table.—This is required only by the Collectors of Railway Districts. Some Collectors have applied for more than one copy, but the Board think that a single copy for each district through or near which the Railway passes will suffice. The usual number of copies is provided for the Superintendent of Revenue Survey, etc.

Indian Economist, Agricultural Gazette of India, Statistical Reports.—Some Collectors have included these periodicals in their lists, but as they are now supplied direct by the Publisher under the orders of Government they are not included in the list herewith submitted.

Revenue Register.—The Commissioner of the Nilgiris alone applies for this, the Board however do not think it necessary.

Price Currents, Daily List of Exports and Imports published by the Chamber of Commerce.—The Collector of Sea Customs alone applies for these, and they may be allowed. They are now purchased by him.

Madras Railway Local Traffic Rates and Classification of Goods.—Madras Railway Interchange of Traffic with Foreign Railways.—These are required by the Superintendent of Revenue Survey. They may be sanctioned.

High Court Reports.—The Collector of South Canara applies for a copy, on the ground that a reference to the report is often necessary in disposing of applications for transfer of Puttas. The Government have in their Order, dated 17th September 1863, No. 1,710, ruled that these reports are not to be supplied to Collectors. The Board are, however, of opinion that these reports should be supplied to each Collector, and request that Government will reconsider the order above referred to. The work is not included in the list herewith submitted.

2. Some of the periodicals entered in the list have been already purchased by Collectors, but the charges have not been passed pending the sanction of Government.

It is requested that sanction may be accorded for the works already purchased, as well as for their purchase in future.
