*Proceedings of the Madras Government, Revenue Department,
8th August 1874.*

No. 90. Read the following Proceedings of the Board of Revenue, dated 21st July 1874, No. 1,902:—

Read the following letter from G. VANSAGNEW, Esq., Collector of Nellore, to J. GROSE, Esq., Secretary to the Board of Revenue, dated 3rd July 1874, No. 1,421:—

In G. O. Revenue Department, dated 5th June 1874, No. 691, the Government have passed no orders on the suggestion in paragraph 8 of the Board's Proceedings regarding the dates to be fixed for the Shows at Addanki, Nellore, and Madras. Before issuing the usual Notification, I have the honor to request instructions on the point.

2. I beg to observe that it would be very inconvenient to hold the Addanki Show in December. It often rains in the beginning of December, and there are five large unbridged rivers between Nellore and Addanki which are almost sure to be in flood in that month. Moreover, the Kistna country north of Addanki is almost impassable, except in quite dry weather. I deprecate the proposed change. If the Madras Show is held about 15th February, there will be ample time for the northern cattle to reach Madras after the Addanki Show in January. It is not likely that cattle would be sent from South Nellore to compete at Madras.

UNDER the circumstances stated, the Addanki Show should be held on or about 15th January and that at Nellore on or about the 10th February.

No. 91. ORDER THEREON, 8th August 1874, No. 1005.

Miscellaneous.

THE date proposed for the Addanki Show is approved. The Nellore Show should not be held later than 1st February, in order to preclude the possibility of its clashing with the Madras Show.
