No. 92. Read the following letter from J. R. COCKERELL, Esq., Commissioner of the Nilgiris, to the Secretary to Government, Revenue Department, Ootacamund, dated 6th August 1874, No. 49 :—

By order of Government, No. 523, of 1st May 1874, I am directed to endeavor to obtain from the Agri-Horticultural Society, Ootacamund, further information regarding the Manilla seed distributed with G. O., No. 215, of 1st February 1872, and have the honor accordingly to forward copy of a communication received by the Honorary Secretary of the Agri-Horticultural Society from Colonel Scott.

ENCLOSURE No. 1.

From Colonel E. SCOTT, to A. JAMIESON, Esq., Superintendent, Government Gardens, dated Thaimullay Estate, 6th July 1874.

In reply to your letter dated 26th ultimo, I regret to say that I am unable to give you any additional information to that furnished in my former letter respecting the cultivation of the Manilla tobacco plant.

2. If the size and vigor of the plants may be considered as criterions of success, the experimental trial made here must be pronounced to have been successful.

3. No chemical analysis was, however, obtained to determine the proportion of nicotine present in the leaves, and I regret to say that I have none now remaining to forward you as a sample.
