No. 191. Read the following Proceedings of the Board of Revenue, dated 10th August 1874, No. 2,181:—

Read the following letter from W. S. FOSTER, Esq., Acting Collector of the Godavery District, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Cocanada, 7th July 1874, No. 218:—

I HAVE the honor to request that the Board will ask the Government to declare under Section 2 of the Canals and Ferry Act 1870, that the provisions of that Act shall apply to the two ferries on the Godavery, (1) between Yenaguvanilanka and Appavaramanilanka, and (2) between Antervedi and Vemuldevi, in the Nursapur Taluq. At present, people cross the Godavery at the places by Sangadies (palmyra posts) placed by private individuals. The river at the places is as wide as at other ferries in the taluq.

2. The Deputy-Collector on General duty, brings to notice the case of an accident which had occurred a few days before at the first named ferry. The Sangady, which is a dangerous means of crossing rivers, was carrying five people. It went to some distance on the river, and a heavy wind coming on tides, one of the passengers got frightened, fell in the river and died. It is a place frequented by passengers. The other ferry too is liable to such accidents. There the tides are heavier as the river joins the sea at this place. Antervedi is also a village to which pilgrims resort in considerable numbers. The Board will, I hope, under these circumstances, see the necessity of establishing ferries at the places under the Canals and Ferry Act. I propose renting them out every year subject to the rules recently sanctioned by Government.

3. A list of tolls to be levied at the ferries is enclosed for approval.

4. The usual Notification is also sent herewith.
