REFERRING to G. O., 4th May 1859, No. 612, I have the honor to request sanction for the employment of a passed Hospital Apprentice to afford medical aid to the Settlement Party working in the Ganjam District, where the want of the services of a Medical Subordinate is beginning to be felt. The Surgeon-General, Indian Medical Department, intimates that no Hospital Assistant, the grade of officer usually entertained, is available, and that he does not know of any pensioned Medical Subordinate who would be willing to serve in the Ganjam District. There are at present only two Medical Subordinates attached to the department,—one in Cuddapah, and the other at Coimbatore.
