Proceedings of the Madras Government, Revenue Department,
18th August 1874.

No. 155. Read the following Proceedings of the Board of Revenue, dated 31st July 1874, No. 2,036:—

Read the following letter from Surgeon-Major W. R. CORNISH, F.R.C.S., Sanitary Commissioner for Madras, to J. GROSE, Esq., Secretary to the Board of Revenue, dated 20th July 1874, No. 824.

I HAVE the honor to forward, for the information of the Board, and for submission to Government, the second and concluding volume of the census results of the Madras Presidency.

2. The "Supplementary Tables," as the name implies, include many particulars that were not given in the tabular forms devised by the Government of India and printed in the first volume. Thus, for instance, in the present volume is given the population of Government (Ryotwari) and Zemindari lands distinct; the population according to age in quinquennial, decennial, and vicennial periods; the caste divisions of the people are entered in greater detail, with lists of minor Hindu castes; the occupations of each great Hindu caste and other sections of the people are separately tabulated, and further details are given respecting the education and infirmities of the people.

3. It has also been thought proper to exhibit much of the information obtained by the census as regards houses, religion, caste, and occupation for each *taluq* or revenue sub-division separately; and at the suggestion of the Honorable W. Robinson, C.S.I. I have added another table showing the grouping of the population according to the present *Local Fund Circles* or Divisions of the Presidency.

4. I have to bring to the notice of the Board and Government that the arrangement of these tables for the press, and the compilation of the Local Board's population table, and the entire labor of correcting the proofs of this volume, have been undertaken by Mr. C. Kalyana Soondrum Chetty, formerly Assistant in the Census Office, and that this work has been performed in addition to his current duties as Accountant in the Board of Revenue. It has been my pleasing duty on a former occasion to bring Mr. Kalyana Soondrum Chetty's services to the favorable notice of the Board and Government; and now that the second volume is completed and the work finished, I would venture to hope that the Board of Revenue and Government may be pleased to recognize the fact that Mr. Kalyana Soondrum Chetty has been working during spare hours for the last six months in the correction of the figured statements now printed, and that from the end of 1873, he has received no remuneration for his labors in the Census Department. I shall be glad if the Board will be pleased to recommend to Government some suitable recompense for this extra labor, especially as the printing of the village returns of population has also been under the supervision of Mr. Kalyana Soondrum Chetty, since these returns were made over from the Census Office to the Revenue Board Office.

ENCLOSURE No. 1.—Second Volume of Report on the Census.

THE second volume of Surgeon-Major Cornish's Report on the census of 1871 will be submitted to Government in continuation of Board's Proceedings, dated 12th February 1874, No. 302. It contains numerous useful additions to the information in the first volume, and bears the same marks of care and ability.

2. Surgeon-Major Cornish again calls attention to the services of the Board's Head Accountant, Kalyana Soondrum Chetty, who, since he ceased to be the "invaluable" Assistant of the Census Officer, and returned to his duties as Head Accountant, has spent his spare time in supervising the preparation of the second volume of the Census Reports, and the voluminous tests which show the population village by village and are to be distributed as Appendices. The Board can add their testimony in this matter to Doctor Cornish's. The work has been very heavy, and it has been thoroughly well done. Altogether the proofs of some 5,350 pages of figured statements have been examined and corrected time after time, and some 16 pages have been compiled for the first time. The Board accordingly resolve to recommend Government to offer an honorarium of Rupees 500 to Kalyana Soondrum Chetty.

No. 156. ORDER THEREON, 18th August 1874, No. 1,038.

Miscellaneous.

THE Governor in Council is pleased to sanction the payment of Rs. 500 to Kalyana Soondrum Chetty.
