 Read—
 Resolution No. 409—dated the 28th November 1868, of the Government of India in the Public Works Department.
 Circular No. 423—dated the 7th October 1871.

RESOLUTION.

The demarcation of reserved forests having now made considerable progress in most provinces under the Government of India, it becomes necessary to guard against their alienation.
 2. The Circular of 7th October 1871 prescribes the maintenance of registers of reserves in which their area, boundaries, and other particulars regarding them should be recorded. It may not be practicable in all cases at once to record the full details prescribed, but it is essential that, on the demarcation of any forest or part of a forest being sanctioned by the local Government or Administration, the Conservator of Forests should at once enter name and area of the reserve in the register.
 3. After a reserve has once been sanctioned and entered in the register, it cannot be alienated by sale or lease without the sanction in every instance of the Government of India.

ORDER.—Ordered that this Resolution be communicated for information and guidance to the local Governments and Administrations marginally noted.
 Bengal. British Burmah.
 North-Western Provinces. Mysore and Coorg.

 Central Provinces. Ajmere.
 Ordered, also, that copies be sent to the Governments of Madras and Bombay, and the Home, Foreign, and Financial Departments, for information.
