No. 207. Read the following Proceedings of the Board of Revenue, dated 8th January 1874, No. 16 :—

Read the following letter from F. PRICE, Esq., Acting Collector of Salem, to J. GROSE, Esq., Secretary to the Board of Revenue, dated 2nd December 1873, No. 392 :—

I HAVE the honour to forward, with the request that it may be transmitted for the orders of Government, a copy of a letter, No. 490, from the Acting Head Assistant Collector, seeking permission, on the ground of overwork and failing health, to resign the task of compiling the Manual for this district, and to recommend that Mr. LeFanu's request should be granted.

2. I am unable to suggest any other officer for the work. Although Mr. Knox has returned it is very unlikely that he will remain for any time, and the only other officer who is competent is Mr. Johnston, the Deputy Collector in charge of Treasury, but I doubt very much whether he would have the leisure

ENCLOSURE No. 1.

From H. LEFANU, Esq., Acting Head Assistant Collector, to F. PRICE, Esq., Acting Collector of Salem, dated Tripatoor, 27th November 1873, No. 490.

I REGRET that pressure of office work and the state of my health combined compel me to request that you will be good enough to forward, for the sanction of Government, my resignation of the office of the Compiler of the District Manual.

2. The duties of a Revenue Officer in charge of a division leave him little leisure, and on this my magisterial work, of late heavier than usual, considerably encroaches. I would have made this application sooner were it not that I hoped, from time to time, to be able to gather the necessary materials and was desirous, even at an injustice to my health, to justify the honour done me by Government in confiding the compilation of the District Manual to my charge. It is with unfeigned regret that I feel myself obliged to withdraw from a work which would have been most congenial to my own tastes, but my sense of duty does not allow me to persevere in a task to which I could not render justice. Should another officer undertake the compilation the materials in my hands are at his disposal, and, so far as my own division is concerned, I will most cordially co-operate with him to the best of my ability.
