PROCEEDINGS OF THE BOARD OF REVENUE,

Dated 12th June 1874.

Read Proceedings of the Madras Government Revenue Department dated 8th June 1874 No. 704, requesting Board, in communication with the Collector of South Arcot, to consider what measures of relief should be afforded to the people who have been such heavy losers by the destruction of their sheep and ploughing cattle during the late Cyclone.

Communicated to the Collector who is requested to report as to the measures of relief which should be afforded to those who have lost so many head of cattle during the late storm. It would be well that these enquiries

ries should be made
but any idea being pro-
pagated that Compensation
under Consideration or
the claims might be unduly
Exaggerated. Mr. Gardiner
should also state what
shape the proposed Com-
pensation should assume.
If practicable remission
of Rents would apparently
be preferable to payments
in ready Money.
