*Proceedings of the Madras Government, Revenue Department,
1st September 1874.*

No. 9. Read the following Proceedings of the Board of Revenue, dated 24th August 1874, No. 2,365:—

Read the following letter from J. H. GARSTIN, Esq., Collector of South Arcot, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Cuddalore, 23rd July 1874, No. 388.

With reference to Board's Proceedings, dated 21st instant, No. 4,000, communicating G. O., No. 847, of the 8th idem, I have the honor to report that the statement relative to the Kottan was made by me from memory of a conversation with the District Engineer on the subject; but I now find that I misunderstood him, for, though the Kottans (there was more than one) worked hard to prevent damage to the heads of the southern channels at the anicut, they did so under the immediate supervision and direction of a maistry to whom the chief credit of saving the channel heads, therefore, belongs; and, as the District Engineer has raised his pay from Rupees 15 to Rupees 25, there seems to be no necessity for any special reward to the Kottans.

SUBMITTED to Government, with reference to G. O., dated 8th July 1874, No. 847.

2. Under the circumstances now reported, the reward sanctioned for the Kottan, whose activity was believed to have prevented great mischief, will not have to be paid.
