*Proceedings of the Madras Government, Revenue Department,
1st September 1874.*

No. 15. Read the following letter from H. G. PRICHARD, Esq., Government Solicitor, Madras, to C. G. MASTER, Esq., Acting Secretary to Government, Revenue Department, Ootacamund, dated Madras, 11th August 1874, No. 457:—

I HAVE the honor to acknowledge the receipt of the order of Government, dated 28th July 1874, No. 947, Revenue Department, requesting me to obtain the opinion of the Advocate-General relative to the application made by the Secretary to the Madras Diocesan Committee of the Society for the Propagation of the Gospel in Foreign Parts for permission to sell the village of Sadayengal, and to invest the proceeds on behalf of the Society in Government Securities.

2. I submitted the matter for the consideration of the Advocate-General, and I now forward herewith a copy of his opinion.

OPINION.

THE effect of compliance with the request of the Secretary to the Madras Diocesan Committee of the Society in question would obviously be to place the fund realised by the sale of the village at the disposal of the Society free of the trusts with which it is at present charged, viz., its appropriation to the education of children and maintenance of orphans at Tanjore. This result might be obviated by creating a trust, and making the Trustees hold the fund for the same purposes as those contemplated by the Sanad. The simple and cheaper plan, however, seems to be that contemplated in the Government Proceedings, viz., to resume the village, and make an annual money-grant, corresponding to its income, in the terms of the Sanad.

Advocate-General.

ORDER THEREON, 1st September 1874, No. 1,114.

Miscellaneous.

THE Advocate-General's opinion will be communicated to the Board of Revenue and the Secretary, Madras Diocesan

Committee of the Society for the Propagation of the Gospel in Foreign Parts.

2. His Excellency the Governor in Council is of opinion that there is no objection to the sale of the village of Sadayengal, provided a trust is created under which the Trustees would hold the fund for the same purposes as those contemplated by the Sanad. He considers this arrangement preferable to that suggested by the Board, though the latter might be less troublesome.

3. The reversionary right alluded to in paragraph 4 of the Board's Proceedings, dated 9th July last, No. 1,742, is practically of no value, as Tanjore is not likely to lack children to be educated or orphans to be maintained, and the S. P. G. are not likely to be guilty of breach of trust.

*Proceedings of the Madras Government, Revenue Department,
1st September 1874.*

4. If the Society wish this arrangement to be carried out, the Government Solicitor will render such assistance as may be required in the preparation of the Trust Deed.

The Advocate General who has asked whether the proposal to sell the village of Vadayugal & invest the proceeds in Govt. securities on behalf of the S.P.C. is possible says no because the trust will be thereby vitiated.
