Inspecting Engineer for Civil and Military Buildings, dated Chagalamarri, 9th February
1874, No. 1,067.

I HAVE the honour to inform you that, in reply to a letter from me, the Collector has sent
me a copy of his letter to your address, No. 70, dated the 24th ultimo, on the subject of a site for
the Taluq Cutcherry at Cumbum.

This is the first I have heard of the site now proposed, although when I was at Cumbum I
talked the matter over with the Head Assistant Collector and the Tahsildar.

It certainly never occurred to me that any one would select the site now mentioned in the
middle of the native town and surrounded by native huts.

2. This new idea regarding the site renders it quite impossible for any further expenditure
this year, so I must give up finally Rupees 7,050 out of the sum sanctioned.
