No. 31. Read the following Proceedings of the Board of Revenue, dated 8th August 1874, No. 2,154:—

Read the following letter from J. H. MASTER, Esq., Collector of Bellary, to J. GROSE, Esq., Secretary to the Board of Revenue, dated 4th July 1874, No. 221.

With reference to G. O., Revenue Department, No. 40, of the 10th January last, communicated with the Board's Proceedings, Miscellaneous No. 294, of the 17th idem, and to G. O., Revenue Department, No. 409, of the 1st April last, communicated with Proceedings, Miscellaneous No. 2,519, of the 15th idem, I have the honor to submit, for the approval of Government, the following proposition for the settlement of the disputes between the villages of the Sundoor territory and those of the neighboring Government taluqs.

2. After communicating with the Deputy-Superintendent of Revenue Survey, it was proposed to the Agent of the Rajah of Sundoor that the matter should be settled by arbitration under Act XXVIII. of 1860.

3. That gentleman, however, replied that he would have a difficulty in nominating an arbitrator on the Rajah's behalf, and would prefer to have it settled by negotiation as, he says, "has been the custom heretofore."

4. On referring to the records, it appears that on the old dispute between Sundoor and the village of Jog cropping up in 1868 the Government, in their order, Political Department, No. 4, of the 13th January 1869, paragraph 4, directed that the dispute should be settled with the procedure laid down in Act XXVIII. of 1860. As a matter of fact, however, as will be observed by G. O., Political Department, No. 190, dated the 2nd June 1869, it was settled by negotiation. There is, therefore, no objection to the present disputes being decided in the same manner.

5. The only difficulty is that a Deputy-Superintendent or an Assistant Superintendent in the Revenue Survey Department has no power, except under Act XXVIII. of 1860, and I have no covenanted Assistant whom I could spare for the duty.

6. The Deputy-Superintendent has reported that the services of Mr. Wright, First Assistant Superintendent, will be available, and the Agent to the Rajah has expressed his concurrence in this arrangement; I have, therefore, the honor to request that Mr. Wright may be empowered by Government to settle by negotiation the matter of the disputed boundary.

Submitted for the orders of Government.

2. The Survey Department being about to demarcate the boundaries of Sundoor in accordance with G. O., 10th January 1874, No. 40, the question arises whether the line shall be settled under Act XXVIII. of 1860 or by negotiation.

3. The Rajah's Agent prefers negotiation and says that this has been the custom heretofore. The Collector admits the argument, and applies for Mr. Wright, First Assistant Superintendent, Revenue Survey, to be invested by Government with power to negotiate.

4. Although Government ordered the Jog boundary-dispute to be settled in accordance with the procedure laid down in Act XXVIII. of 1860, it was really settled by negotiation, and, considering the status of the Jaghiredar of Sundoor, the Board are disposed to think the same course must be adopted now.
