Proceedings of the Madras Government, Revenue Department,
8th September 1874.

No. 92. Read the following Proceedings of the Board of Revenue, dated 15th August 1874, No. 2,268 :—

Read the following letter from J. H. GARSTIN, Esq., Collector of South Arcot, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Cuddalore, 30th July 1874, No. 395 :—

WITH reference to the Board's Proceedings, dated 4th instant, No. 1,682, paragraph 21, in which they "hope soon to have before them the Settlement Report on the Sankarapurum Villages," I have the honor to forward copy of letter, No. 472, dated 27th instant, from the Sub-Collector, stating that Sri Baliah, who is deputed to conduct the provisional settlement of the 62 villages of the Sankarapurum Jaghire, requests him to place the services of Ragothama Row, 1st-class Revenue Inspector of Kullakurchi, at his disposal, to enable him to measure and classify the villages, and requesting instructions as to how the revenue administration of the taluq is to be carried out if Ragothama Row is to be given up to the special work.

2. As it is very desirable that Sri Baliah should be assisted by an extra hand really experienced in the special work now assigned to him, and as the Board hope to have the settlement completed soon, I have ordered that the services of Ragothama Row be at once placed at the disposal of the Deputy Collector. This arrangement reduces the already inadequate number of Revenue Inspectors of the Kullakurchi Taluq from three to two, with which the Board will certainly agree with me in thinking that it is impossible for Mr. Lister to carry on the Revenue administration of the taluq with any success. It will take at least six months before the settlement is concluded; and Ragothama Row's services will probably be required for all that time by the Deputy Collector.

3. I would, therefore, recommend that, as a temporary measure, two additional Revenue Inspectors on Rupees 20 each be appointed to the Kullakurchi Taluq at once. One of them will be retained only till Ragothama Row returns from his special work, and the other till the revision of the staff of Revenue Inspectors, which is under consideration, is sanctioned. Mr. Sullivan in his proposals for the revision of this establishment has recommended five Revenue Inspectors for Kullakurchi Taluq, whereas the number now recommended as urgently required is only four, which is the number already given to all the other taluqs of the same size and importance.

4. As Fasli 1284 has already commenced, and cultivation and other accounts have to be checked, I request that the Board will be good enough to obtain the sanction of Government for the temporary employment of two Revenue Inspectors at an early date.

ENCLOSURE No. 1.

From A. L. LISTER, Esq., Acting Sub-Collector, to J. H. GARSTIN, Esq., Collector of South Arcot, dated Cuddalore, 27th July 1874, No. 472.

I HAVE the honor to inform you that Sri Baliah has requested me to place the services of Ragothama Row, the 1st-class Revenue Inspector of Kullakurchi Taluq, at his disposal, to enable him to measure and classify the villages in the resumed Sankarapurum Jaghire with a view to the introduction of a provisional settlement.

2. Sri Baliah, with his usual insight, has asked for the services of the best man in the taluq, and I have no hesitation in recommending that Ragothama Row should be told off to this particular work.

3. But then what am I to do? I cannot possibly manage Kullakurchi Taluq with a couple of Revenue Inspectors. Satisfactory revenue administration is impossible with only three Revenue Inspectors; and, if this number for purposes of general administration is reduced to two, I must realize my position as the nominal head of a phantom establishment, and take for Fasli 1284 whatever revenue the Curnams may choose to give me.

4. I wish I could either be relieved of Kullakurchi Taluq, or else that the strength of the establishment may at least be brought up to that in taluqs of the same size and importance. The question of increasing Subordinate Revenue Agency is still under discussion, and these questions are sometimes kept under consideration for many years; and, in the meantime, I must again urge that the short-handed state of Kullakurchi Taluq leaves Curnams complete masters of the situation, and I must again press for the immediate employment of an out-station Deputy Tahsildar and Sub-Magistrate and a fourth Revenue Inspector. I shall besides want the additional strength which will be given to all taluqs at the time of reorganization.

5. The Board of Revenue wish this Sankarapurum business to be settled, and it is most desirable that the matter should be taken in hand at once; but Sri Baliah cannot do it without the aid of a Revenue Inspector whom I cannot spare.

6. I therefore request instructions: am I to give up Ragothama Row to this work or not?

(True Copy.)

(Signed) J. H. GARSTIN,
Collector.

Two proposals are contained in this letter, viz.:—

(1.) That Ragothama Row, a Kullakurchi Revenue Inspector on Rupees 30, should be deputed to assist Sri Baliah in settling the Sankarapurum Jaghire, a substitute being appointed to act for him as Revenue Inspector on Rupees 20.

(2.) That an additional Revenue Inspector on Rupees 20 should be appointed to the Kullakurchi Taluq.

2. The Board have no doubt whatever that an additional Revenue Inspector is wanted in the Kullakurchi Taluq, but many other parts of the Presidency are as much in want of Revenue Inspectors, and the Board are not justified in anticipating the decision of Government on the general question.

3. The Board accordingly resolve to submit the first proposal only with the request that Government will sanction it. They need not detail the reasons which make it obviously desirable to give Sri Baliah the assistance of an official of Ragothama Row's grade in effecting the settlement of Sankarapurum, and they are satisfied that the work in Kullakurchi will be at a stand-still if there are only two Revenue Inspectors at work there.
