Proceedings of the Madras Government, Revenue Department,
10th September 1874.

No. 102. Read the following Proceedings of the Board of Revenue, dated 26th August 1874, No. 2,389 :—

Read the following letter from H. R. GRIMES, Esq., Superintendent, Central Jail, to A. WEDDERBURN, Esq., Collector of Coimbatore, dated 4th December 1872, No. 392 :—

I HAVE the honor to acknowledge the receipt of your letter, No. 286, dated 3rd instant, and to inform you that I am unable to give you the exact cost of a Silk-reeling Machine until I have made one.

2. As I stated in my letter, No. 334, dated 7th October last, the estimate for a Silk-reeling Machine was made at a rough guess, and I think the whole machine, including the hot water apparatus, would not cost more than Rupees 50, but I will not guarantee that it can be made for this amount. The difference between a single reeling frame and a double one would not be much less. Should you wish, I will have a machine made single or double reel with hot water apparatus, and will charge you for the actual cost of material only expended in its manufacture.

No. 186.

FORWARDED to the Secretary to the Board of Revenue, with reference to Board's Proceedings, Miscellaneous No. 5,028, of 28th July 1874. The machine will probably exceed Rupees 50 in cost.

Coimbatore,
6th August 1874.

(Signed) W. G. UNDERWOOD,

SUBMITTED to Government, with reference to G. O., 26th June 1874, No. 787.

2. The cost of the Silk-reeling Machine is estimated at about Rupees 50.
