Proceedings of the Madras Government, Revenue Department,
14th September 1874.

No. 128. Read the following Proceedings of the Board of Revenue, dated 5th September 1874, Miscellaneous No. 6,118 :—

Read the following letters :—

From A. McC. WEBSTER, Esq., Acting Collector of Vizagapatam, to J. GROSE, Esq., Secretary to the Board of Revenue, dated 20th August 1874, No. 1,221.

I HAVE the honor to submit for sanction, with reference to Board's Proceedings of 26th June 1874, No. 1,603, detailed estimates and survey of the new salt-road from Tuni to Pentacotta, and to inform the Board that I have ordered the Salt Deputy-Collector to commence the work at once.

2. I have delayed putting the road in hand until I had an opportunity of inspecting the pans as the outturn has been very deficient, and the Salt Deputy-Collector had recommended the abandonment of Pentacotta as a salt-station.

3. I have now thoroughly inspected the locality, and although I do not see any reason for abandoning Pentacotta altogether, it will be necessary to give up some of the pans and to open new ones at a place a few hundred yards from the present pans. The Deputy-Collector is now elaborating the scheme which I shall hereafter submit for the Board's sanction. If approved the present salt-platform would have to be abandoned and a new one constructed between the present good pans and those proposed. A short branch road would in this case have to be made, and an estimate for this will be included in the estimate for opening the new pans.

From the same officer, dated 20th August 1874, No. 1,227.

WITH reference to my letter of this date, No. 1,221, I have the honor to state that the original plan of the road from the Pentacotta salt-pans to Tuni is with the Salt Deputy-Collector, and will be sent if required.

SUBMITTED for the sanction of Government with reference to G. O., dated 12th June 1874, No. 989, Financial Department.

No. 129. ORDER THEREON, 14th September 1874, No. 1,168.

Miscellaneous.

THE estimate, submitted with these Proceedings amounting to Rs. 18,600, is sanctioned.

Miscellaneous No 6118

PROCEEDINGS OF THE BOARD OF REVENUE,

Dated 5th September 1874.

Read the following

No 1221.

From A Macleod Webster Esquire
Acting Collector

To J. Groze Esquire
Secretary to the Board of Revenue
Fort Saint George.

Sir,

I have the honor to submit for sanction with reference to Board's Proceedings of 26th June 1874, No 1608 detailed Estimates and Survey of the new salt road from Tuni to Pentacotta and to inform the Board that I have ordered the Salt Deputy Collector to commence the work at once.

2 I have delayed putting the road in hand until I had an opportunity of inspecting the pans, as the outturn has been very deficient, and the Salt Deputy Collector had recommended

the

the abandonment of Pentacottah as a Salt station.

3. I have now thoroughly inspected the locality, and although I do not see any reason for abandoning Pentacotta altogether, it will be necessary to give up some of the pans and to open new ones, at a place a few hundred yards from the present pans. The Deputy Collector is now elaborating the scheme which I shall hereafter submit for the Board's sanction. If approved the present salt platforms would have to be abandoned and a new one constructed between the present good pans, and there proposed a short branch road would in this case have to be made and an Estimate for this will be included in the Estimate for opening the new pans.
