Miscellaneous.

THE Government having still under their consideration the Proceedings of the Board of Revenue, dated 21st March 1871, No. 1,222, in which it is stated that extensive claims to Forest lands in the Kassergode Taluq will probably be admitted if enquiry be made, the publication of the Notification above recorded appears uncalled for, and the Government do not understand how the Collector's action can be reconciled with the instructions contained in paragraph 17 of the Board's Proceedings above quoted that in the meantime interference with rights which possibly, and even probably, have a real existence should be avoided.
