Read the following letter from J. H. RSTIN, Esq., Collector of South Arcot, to J. GROSE, Esq., Secretary to e Board of Revenue, dated Pondicherry, 13th August 1874, No. 415.

REFERRING to Board's Proceedings of t th July last, Miscellaneous No. 5,014, I have the honor to state that the tempora blishment employed on the piece in this District Press from time to time was ained for the purpose of publishing punctually in the District Gazette the notice tachment, under Section 27 of Act II. of 1864, received from the several taluqs. er ordinary circumstances, this work can be done by the permanent establish d so it has been; but in the months of heavy kists, when the collection of reve as to be expedited by distraint, these attachment notices pour in from the taluqs ick succession, and it has been found impossible at such times to publish ther gularly in the District Gazette without extra aid to the Press Establishment.

2. Under the above circumstances, difficult for me to say how long the special establishment will be required; bu can assure the Board that it will not be employed except in case of actual necessi when the notices abovementioned begin to come in so numerously that the perma t establishment is found unequal to the emergency.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 1st September 1874.

Read the following letter from J. H. GARSTIN, Esq., Collector of South Arcot, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Pondicherry, 13th August 1874, No. 415:—

REFERRING to Board's Proceedings of the 28th July last, Miscellaneous No. 5,014, I have the honor to state that the temporary establishment employed on the piece in this District Press from time to time was entertained for the purpose of publishing punctually in the District Gazette the notices of attachment under Section 27 of Act II. of 1864, received from the several taluqs. Under ordinary circumstances, this work can be done by the permanent establishment, and so it has been; but in the months of heavy kists when the collection of revenue has to be expedited by distraint, these attachment notices pour in from the taluqs in quick succession, and it has been found impossible at such times to publish them regularly in the District Gazette without extra aid to the Press Establishment.

2. Under the above circumstances, it is difficult for me to say how long the special establishment will be required, but I can assure the Board that it will not be employed, except in case of actual necessity when the notices above mentioned begin to come in so numerously that the permanent establishment is found unequal to the emergency.
