PROCEEDINGS OF THE BOARD OF REVENUE, dated 19th August 1874.

Read the following letter from R. W. BARLOW, Esq., Collector of Chingleput, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Saidapet, 27th July 1874, No. 380:—

REFERRING to G. O., No. 383, of the 3rd April 1873, and the Board's Miscellaneous Proceedings, dated 24th March last, I have the honor to state that, according to returns recently obtained from the taluq, it appears that the annual collections in the village of Coromandel, on an average of the last ten, and five years, amount to Rupees 1,610, and Rupees 1,289, as shown in the margin. Deducting from the above figures Rs. 213-11-8, the assessment of certain mainkaval lands resumed by Government and assigned over to the Inamdar, on condition of his paying an equivalent sum to Government as Jodi, the net revenue is Rupees 1,396 and 1,075 respectively, and I recommend that the monthly allowance to be paid to the Kazi in future be fixed at Rupees 100, which is somewhat more than the average of the past five, but less than that of the past ten years.

2. I may add that the bulk of the Miscellaneous Revenue accrues from jungle products and fellings in the jungle itself, which covers a pretty large part of the area of the island. The Inamdar and the lessee have been collecting certain obnoxious imposts, but the amount derived from these sources was small—only about 10 Rupees—and I have already ordered the discontinuance of such collections.

SUBMITTED for the orders of Government with reference to G. O., dated 3rd April 1873, No. 383, and 14th March 1874.

2. The Board consider the Collector's proposal a fair one. The allowance should be liable to revision in the event of any material variation in the receipts.
