Proceedings of the Madras Government, Revenue Department,
23rd September 1874.

Read the following letters:—

No. 203. From J. OUCHTERLONY, Esq., to the Chief Secretary to Government, Fort St. George, dated London, 3rd July 1874.

I HAVE just received information that a certain shola on the road to and near Neddiwuttum has been applied for by parties, and that measures are likely to be taken for the disposal of it as Government property.

2. This shola is one that has been considered to be within my land, derived under grant from the Nellamboor Tirupad, and *has been so treated by the officers of Government.* The late Collector of Coimbatore, Mr. P. Grant, when applied to for this very land referred the applicant to me as the proprietor.

3. As it is my intention to submit a memorial to Her Majesty's Secretary of State for India in reference to this and adjacent lands above the crest of the Ouchterlony Valley, I trust the Government will be pleased to suspend any measures touching the shola in question till such can be put forward.

4. I would beg leave to explain that the memorial would have been sent in ere this, had I known what the Proceedings of Government of the 9th August 1872 really were. But these have never been communicated to me, and I am only aware of what may be their nature from the allusion to them in the G. O. of the 17th idem. And my representation in India has vainly applied to know what are the sketch-maps alluded to in divers orders on the same subject.

5. I request, while submitting the present request to the Government, to be allowed at the same time to recapitulate these facts; *viz.*, *First*, that my original grant of 18th December 1845 alluded to the *Neddiwuttum Bungalow* as explaining direction of my boundary to the east, and that the note attached thereto surrendered no land in that direction, but rather amplified it as "the tops of the Neilgherries;" the plan attached to this note giving a shaded sketch of the *valley*, up to the *crest of the valley* (taken from the Government map), and noting in writing "the Neilgherry Mountains" beyond (this being the mountainous country, the tops of which were declared to be the boundary in that direction):—*Second*, that all the deeds executed about this were done openly and were free of access to every one, and that my right was never disputed or called in question by any officer or Member of the Government at any time until within a recent period, but on the contrary was recognized by divers overt acts:—and *Third*, that I have shown possession of the land by the very plea treated by the Government as all-powerful in its own behalf when defending a suit brought by the Nellamboor Tirupad, *viz.*, that it "had *built* travellers' *bungalows* and *made roads* upon the land without any reference to the plaintiff;" which is precisely what I had done with the land between the "tops of the Neilgherries" and the crest of the valley below.

No. 204. From J. R. COCKERELL, Esq., Commissioner of the Nilgiris, to the Acting Secretary to Government, Revenue Department, dated Ootacamund, 19th September 1874, No. 66.

GOVERNMENT Order, Revenue Department, No. 1,159, dated 11th September 1874, calls upon me to report whether any shola land on the road to and near Neddiwuttum has been applied for, and whether applications are, on the east of the boundary, sanctioned in G. O., 4th October 1873, No. 1069.

2. I enclose a sketch-map showing the boundary line in question and applications for land in the vicinity. Of the lands in question, Mr. Liddell's application, 1st lot, is advertised for sale on the 24th instant; the other applications on 2nd November. That part of the applications which consists of forest is colored green. There is one plot of forest in the centre of one of the applications, which was transferred to Captain Griffin some years ago.

3. The present applicants are Messrs. Liddell, Teare and Garrett.

4. The new road from Pykara to Ootacamund is colored brown in the sketch.

5. The application of Mr. Liddell is sanctioned in G. O., 29th May 1874, No. 661, Revenue Department. The other applications required no sanction, as neither includes sholah.

No. 205. ORDER THEREON, 23rd September 1874, No. 1,206.

Miscellaneous.

IN their order of the 17th August 1872, No. 1205, the Government informed Mr. Ouchterlony of the eastern limit up to which they would recognize any claims founded on titles derived from the Nellamboor Tirupad, and their final order* on the subject of the boundary line was communicated to Mr. Ouchterlony's representative, Mr. Wapshare, with G. O., 16th January 1874, No. 72.

* G. O., 4th October 1873, No. 1069.

2. A copy of the foregoing letter from the Commissioner of the Nilgiris will now be forwarded to Mr. Ouchterlony, and he will perceive that the sholas for which application has been made lie on the eastern side of the boundary line determined on.

3. There is nothing in Mr. Ouchterlony's present letter which had not been already advanced by him before the question of the boundary line was finally determined, and the Government must decline to reconsider their orders on the subject.
