Sir,  
With reference to Financial Resolution  
No 2787 dated 30<sup>th</sup> April 1874 I have the honor to  
report, that the Audit of Forest accounts has  
not been entrusted with the ordinary to the  
Inspector General or Conservator of Forests, but to  
the Board of Revenue & to request to be informed  
whether under these circumstances, this Office  
should undertake the receipt of the accounts

In reply to your letter No 2146 (Audit)  
dated

dated 10<sup>th</sup> June 1874, enquiring whether the Forest  
accounts which are audited by the Board of  
Revenue should undergo re-audit in your Office  
under Finl Resolution No 2757 dated the 30<sup>th</sup>

April 1874. - I am directed to say that a  
double Audit would be in consonance, and that  
although there can be no doubt that the Control  
exercised by the Board of Revenue is effi-  
cient, yet it is desirable in principle that  
all public expenditure should be brought  
under the examination of the Officers of  
the Audit Department. But before carrying  
out this view. I am directed to state that  
the Governor-General for mail would be  
glad to have your opinion on the matter  
which should be submitted through the  
Local Government.
