Proceedings of the Madras G[illegible]nt, Public Works Department,
10th [illegible]374.

No. 171. Read the [illegible]llowing e[illegible]
ment, Revenue Dep[illegible]nt of the Acting Secretary to Government, dated 11th May 1874:—

Read the following Proceedings [illegible]f Revenue, dated 5th May 1874, M[illegible]48.

Read the following letter f[illegible] Esq., Acting Head Assistant Collector, to W. [illegible]ting Collector of the Godavery District, dated C[illegible]874, No. 54.

In forwarding the enclosed petiti[illegible]om the Village Munsif and Curnam of Rajavaram, together with the report [illegible]e Tahsildar on the subject, I have the honour to state that the tank called [illegible]ppa Cheruvu in Rajavaram breached about four years ago, and no repairs [illegible]ade till the end of Fasli 1281. The [illegible]yacut of the tank was in consequence [illegible]eft waste, and remission* granted in Faslies 1280 and 1281. The Munsif [illegible]nd Curnam at last took it upon themselves to repair the tank at their own [illegible]ense at a cost of Rupees 120. There has since then been no occasion for remission, and the Munsif and Curnam request that the sum be refunded to them. The Tahsildar reports, on personal inspection, that the work has been well executed, and suggests at the same time that Department of Public Works be consulted as to the amount of cost. I think, however, that the reference would be useless, as it would be difficult or impossible to estimate the cost now; and I have therefore the honour to recommend that the Rupees 120 be refunded to the petitioners: Rupees 100 were paid to a contractor, and the remaining 20 spent in minor details.
