8. Grounds of Application in detail. There is no vacant ground in the present site. Rev. Mr. Daras applies for a grant of 12 Annas of land on the hill at Sorathur for the purpose of building a chapel and a house. The hill is about 6 kals or 48 yards away from the village, and there is no objection to the grant such as was argued in the case of Amaravathy hill (*vide* Board's Proceedings, Miscellaneous No. 3,564, dated 29th May 1874). The ryots, from their usual antipathy to the construction of a Christian church, object to it on the ground that their cattle graze on the hill and drink the water of the spring. As there will be no objection to the cattle grazing as usual I would recommend that the permission applied for be granted.
