Proceedings of the Madras Government, Revenue Department,
1st October 1874.

No. 9. Read the following Proceedings of the Board of Revenue, dated 25th September 1874, No. 2,781 :—

Read the following letter from A. MACGREGOR, Esq., Collector of Malabar, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Cannanore, 12th September 1874, No. 218A :—

I HAVE the honor to submit, for the Board's approval, a draft plaint, which I propose to file in the District Munsif's Court at Cenmalpuram against the parties noted * for the recovery of three pieces of escheat lands valued at Rupees 320. The circumstances of the case are as stated below :—

*1. Nadaviledathil Bhimanachen.
2. P. Vasoodeven Namboodripad.

2. In 1870 these lands were, along with certain other escheats of the Chenat Nair's Estate, Pulghat, settled in the name of one Poomallimanakal Vasoodeven Namboodripad, No. 2, for Rupees 32,000 in the aggregate, and he has paid Rupees 1,200 in accordance with the instalments fixed.

3. In 1872, No. 1 filed a suit, No. 577 in the above Court, for the recovery of certain property belonging to him, wrongly including within the boundary limits given by him, the three pieces of land in question; and although, No. 2, the tenant in possession, contended in the case, that he had purchased their jenm right of Government, the Munsif decreed for plaintiff, without making Government a party, or requiring them to produce evidence to prove their title; and which decree has been confirmed in appeal by the District Court, South Malabar. The plaintiff accordingly obtained possession of the lands in June 1874.

4. I was not informed of this fact until October 1873, when P. Vasoodeven Namboodripad brought it to my notice, by a petition praying that the lands, which he had lost, might be restored to him by means of a regular suit instituted by Government.

5. As the jenm right of land vests in Government, until it is formally transferred to the purchaser by means of title-deeds, we are bound to establish that right where it appears to be questioned. I accordingly endeavored through the Tahsildar to bring about an amicable settlement with Bhimanachen; but he would listen to no proposal. I see, therefore, no alternative but to file a suit in which I am confident the Government title can be satisfactorily established. There are in favor of Government not only the Paimash Accounts of 974 and 1,000 of the Malabar era in which the lands in question appear as the jenm property of the late Chenat Nair, but also the deed upon which Bhimanachen founded his alleged right. It can be clearly proved that the boundary limits specified in this document do not embrace the lands now proposed to be sued for. The evidence of old witnesses in the neighbourhood is also available.

6. I accordingly request the Board's sanction to conduct the suit at the public expense.
