such procedure seems irregular.

2. It is submitted that the case is not one in which interference is at all imperative.

The Reddy receives Rs. 50 & he has a village with a revenue of only 333 Rs to look after.

3 hours in the revised scale in Kurnool a similar servant

↑ Vide § II, 2 Accounts Gaja Ba and Page 17.

See the Settlement in Bd. Proc. 7th Jany 1868 (put up)

receives Rs 50 for a village up to 5000 Rs revenue & in the Godavery only Rs 48 up to a 3000 Rs revenue

The Reddy now in question seems therefore to receive much what similar servants receive elsewhere & unless a case of particular hardship is brought to light it seems inadvisable to lay down a rule regarding cases when the

whole village established
about 1700 & later undergo
division.
