*Proceedings of the Madras Government, Revenue Department,
20th March 1874.*

Read the following telegrams :—

From Collector of the Kistna District, Masulipatam, to Acting Secretary to Government, Revenue Department, Madras, dated 18th March 1874.

No rain at Masulipatam or elsewhere ; 10 inches below anicut. Canal-supply scanty. Bezwada and Ellore canals closed for navigation. Maize, ulundu, babbara, tamida, sown in Bander. Few standing crops fair ; suffering from drought in places. Gram, castor, cotton, ulundu, maize, chillies, outturn half to three-fourths. Prices generally stationary. Mild small-pox and slight fevers, except in Sattenapalli ; guinea-worm in Palnad. Cattle healthy in two taluqs. Pasture scarce. Markets well supplied locally.

From Treasury Deputy-Collector, Tanjore, to Acting Secretary to Government, Revenue Department, Madras, dated 18th March 1874.

RAIN at Negapatam and elsewhere none. Rivers dry. Water in tanks scanty. Water over lower anicut none. Cultivation some dry grains. Standing crops some not thriving, others withering in some parts for want of rain. Sambálishanam harvest almost over. Yield below average. Pasture moderate. Markets well supplied. Prices slightly declining. Public health generally good. Small-pox in several places. Cattle-disease here and there.

From Collector of Trichinopoly, to Acting Secretary to Government, Revenue Department, Madras, dated 18th March 1874.

No rain. Water-supply sufficient in irrigated villages ; failing elsewhere ; even drinking water being scarce in many villages. Condition of crops in the river-irrigated villages tolerably good ; elsewhere generally failing. Outturn of wet crops generally below the average, and of dry reported to be 75 per cent. below in one taluq. Markets sufficiently supplied in the northern part of the district from foreign sources. Price of rice has fallen slightly ; that of dry grains is stationary. Public health good, except for small-pox in some villages. Condition of cattle generally good, and pasture sufficient for the present.

From Collector of Malabar, Calicut, to Acting Secretary to Government, Revenue Department, Madras, dated 18th March 1874.

RAIN-fall none. Ploughing operations, etc., for the first crop begun. Supply of grain from local sources not ample. Small-pox prevalent. Fever slight in hilly parts. Cattle-disease reported in Ernad Taluq. Pasture scanty. Prices increasing.

ORDER THEREON, 20th March 1874, No. 125.

COMMUNICATED to the Board of Revenue.

(True Extract.)
