Not to be folded or roughly handled

No. 65. Read the following letter fro Colonel J. CROFTON, R.E., Deputy Secretary to the Government of ia, Public Works Department, (Civil Works—Irrigation,) to Lieuten Colonel J. MULLINS, R.E., Joint Secretary to the Government adras, Public Works Department, Irrigation Branch, dated Fo 0th June 1874, No. 384-I:—

UNDER the circumstances mention our letter No. 1,361, of the 21st ultimo, I am instructed to state that t vernor-General in Council will not press for the submission of *monthly* stat ts of irrigation from canals in the Madras Presidency, but desires that, wit e permission of His Excellency the Governor in Council, *annual* statements m be furnished as soon after the close of each year, as possible, being required for ncial purposes by the Government of India.

No. 66. ORDER THEREON, 4th uly 1874, No. 1,794.

IRRIGATION, No. 8.

Proceedings of the Madras Government No. 1,360, 21st May 1874.

THE Government observe that the nthly statement of irrigation opera- ns referred to in the letter No. 203-I, he 10th April 1874, from the Govern- nt of India, exhibits the water dis- n the canals, the approximate area of aty Secretary's letter above recorded, n may be furnished, and it may be particulars of areas and revenue in 791, been ordered to be prepared for n addition to this a general statement now laid before Government annually, been transmitted for the information of be so forwarded as soon as they may be supply that Government with all the

tribution of the month, particulars of land irrigated, and the rainfall. In th it is asked that annual statements of Ir remarked that Revenue Statements givi detail have in G. O., 23rd March 1874, all the principal systems of Irrigation, for the Irrigation of the whole Presidency and copies of all those as yet received have the Government of India, while others will ready. These statements will, it is though, information required for financial purpose.

2. As regards water-supply, the nent of India have requested that similar details to those shown in the n atement of Irrigation operations may be exhibited on the water diagra he principal rivers; canal traffic statements are forwarded monthly, an ion regarding rainfall in connec- tion with irrigation will be given in th statements of Irrigation and Rain- fall which have to be prepared by Coll submitted to Government through the Revenue Board.

3. It appears therefore that no a l orders on this subject are neces- sary, and that all that is required is t ual submission of returns already directed to be prepared.
