2. The contribution from Provincial Funds towards the pay of the medical officer in charge of the Dispensary should appear under "Assignments and allotments by Government" and not under "Endowments," and should be raised to Rupees 225, as the allowances of a Passed Hospital Apprentice amount to Rupees 900 per annum. The President will report the result of any application to the Local Board for a contribution to the Dispensary, as suggested in G.O., dated 8th March 1874. The reduced provision for Results Grants should have been Rs. 100, but the amount presumed that the entries vary but little in detail. The Budget is Rs. 1872-73 was only Rupees 90, the Government is based on experience. The other is current year and call for no remark in detail, and the usual Notification will issue.
