*Proceedings of the Madras Government, Revenue Department,
13th October 1874.*

No. 142. Read the following letter from Captain C. WALKER, Officiating Inspector of Forests, to C. G. MASTER, Esq., Acting Secretary to Government, Revenue Department, dated Ootacamund, 3rd October 1874, No. 359:—

IN forwarding the accompanying copy of a letter received from Messrs. Allen and Co., dated London, 14th July 1874, I have the honor to bring to the notice of Government that two copies of the *Gardeners' Chronicle* are regularly supplied to my Office from England; one from Messrs. Mudie and sons and another from Messrs. Allen and Co. I consider that one copy is unnecessary, and therefore request that Government may take necessary steps to discontinue its supply.

ENCLOSURE No. 1.

From Messrs. W. H. ALLEN and Co., to Captain C. WALKER, Officiating Inspector of Forests, Ootacamund, dated 13, Waterloo Place, S.W., London, 14th July 1874.

IN reply to your letter of the 17th April last, with reference to the "*Gardeners' Chronicle*" regularly supplied to your department from this Office, we beg to say that the order for the same was received from the Director-General of Stores, India Office, and, upon our submitting your letter to him, we are requested to inform you that the order was given us in compliance with request contained in Madras letter, No. 20, dated 15th August 1873.

2. As a rule, we are not allowed to correspond direct with departments in India, and we must, therefore, beg of you to be so good as to address any further correspondence on this subject to the India Office authorities, from whom our instructions are received.

No. 143. ORDER THEREON, 13th October 1874, No. 1,314.

Forests, No. 7.

THE Inspector of Forests having, in his letter, dated 30th November 1872, No. 1,581, stated that the *Gardeners'*

Chronicle and *Agricultural Gazette* theretofore received from Europe was useful to his department and should be continued, this periodical was included in the list furnished to the Secretary of State with despatch, dated 15th August 1873, No. 20, Public Department, and has subsequently, it would appear, been supplied by Messrs. Allen and Co. under instructions from the India Office.

2. From Captain C. Walker's present letter it appears that he still continues to receive the separate copy alluded to by Major (Colonel) Beddome, and that this is furnished by Messrs. Mudie and Sons.

3. As this was not apparently ordered by Government, the Inspector will take immediate steps to stop its transmission, and will report how its cost has been defrayed since the issue of the Resolution of the Government of India, dated 13th October 1872, No. 3,449, prohibiting the inclusion for charges for periodical publications in contingent bills.
