Proceedings of the Madras Government, Revenue Department,
16th October 1874.

No. 191. Read the following Proceedings of the Board of Revenue, dated 10th October 1874, No. 2,959 :—

Read the following letter from G. VANSAGNEW, Esq., Collector of Nellore, to J. GROSE, Esq., Secretary to the Board of Revenue, dated 1st October 1874, No. 2,251 :—

As instructions for Jamabandi have to be issued about the beginning of December, I have the honor to request that early orders may be passed as to the course to be pursued in the Principal Division, and also in the Kanigiri Taluq where the Board have decided that the new rates should be "gradually" introduced.

2. Last year the Jamabandi was very tedious and troublesome in consequence of the additional accounts, which had to be prepared for the grant of "Occasional remission" under G. O., dated 26th November 1873, No. 1,305. In the event of the sliding scale proposed by Mr. Thornhill being adopted it would be necessary to sanction the scheme at an early date, in view to timely instructions being issued to the Tahsildars.

3. It should also be distinctly laid down how the *gradual* introduction of the new rates should be undertaken in the Kanigiri Taluq. Is it the intention of the Board and Government to deal with the Kanigiri Taluq this fasli as the taluqs of the Principal Division were dealt with last fasli, or is it intended to collect a fraction of the rates this year, and if so how much?

SUBMITTED for the orders of Government as regards the Principal Division, with the remark that there is nothing in the present state of Nellore to warrant the repetition of the "Occasional remission" granted last year.

2. As regards Kanigiri the Board have ascertained from the Director of Revenue Settlement that the new rates are to be levied in the current fasli, and that the Deputy Director, Mr. Rundall, has received definite instructions as to the preparation of statements showing the increments to be levied in coming faslis in each individual case. The Collector should ascertain particulars from Mr. Rundall.
