WITH reference to paragraph 2 of G. O., No. 1,080, dated 25th August 1874, I have the honor to request that I may be informed of the difficulties of which I am presumed not to be aware with regard to the improvement of the Walliar reserve in Coimbatore District.

2. The neighboring reserve in Malabar is, in my opinion, only more promising, because it has been strictly conserved and fire excluded which has not been the case with regard to the Coimbatore block.
