Proceedings of the Madras Government, Revenue Department,
30th October 1874.

No. 319. Read the following Proceedings of the Board of Revenue, dated 17th September 1874, No. 2,664:—

Read the following letter from J. H. GARSTIN, Esq., Collector of South Arcot, to J. GROSE, Esq., Secretary to the Board of Revenue, dated [illegible] September [illegible].

I HAVE the honor to request that the Board will be good enough to obtain the sanction of Government for the employment of sixteen Taliaries on Rupees 2-8-0 each per month for the villages named in the enclosed statement in the Trikalore and Trinomalay Taluqs, pending the revision of village establishments.

2. Information is given in the above statement as to the importance of each village, its position, population, beriz, etc. These villages have no Taliaries at all, but several of them had Taliaries with fixed salaries up to the time of the introduction of the new Police.

3. As the services of Taliaries are urgently needed in these villages, and as the Police repeatedly ask for them, I have the honor to request that my recommendation may be sanctioned as a temporary measure. The wages of these Taliaries may be paid from the beriz of the respective villages as proposed in the Board's Proceedings, dated 15th September 1873, No. 1,834.

ENCLOSURE No. 1.—Statement.

SUBMITTED for the favorable consideration of Government.

No. 320. ORDER THEREON, 30th October 1874, No. 1,378.

Miscellaneous.

THE payment of village-officers out of the beriz of their villages is an irregular measure that the Government are always most unwilling to sanction; and as there seems no pressing necessity for the employment of the Taliaries recommended by the Collector the revision of the village establishments must be awaited.
