To

THE SECRETARY TO THE GOVERNMENT OF INDIA,
FINANCIAL DEPARTMENT.

Miscellaneous.

SIR,—In reference to your letter of the 29th July last, No. 4,631, forwarding an extract from a despatch from the

Secretary of State on the subject of the mode of payment for the maintenance of certain Hindu pagodas, and requesting this Government to take steps for giving effect to the views therein expressed if there seemed no objection to so doing, I am directed to transmit copy of the Proceedings of the Board of Revenue, dated 5th October 1874, No. 2,888, reporting upon the proposed measure, and to state that the sentiments which they enunciate are approved by His Excellency the Governor in Council.

2. If money-payments or the issue of nontransferable Notes are considered out of the question, the arrangement suggested can be adopted; but His Excellency in Council fails to see any difference in principle between a payment in cash by the Revenue-officers out of the yearly receipts from certain specified lands and payment in cash out of the general revenue, more especially as in bad seasons the payments, under the proposed arrangement, would have to be made good from the latter source.

3. I am to draw particular attention to the difficulty suggested by the Board as regards the coercive collection of money due to pagodas.

4. Pending more positive instructions, no action will be taken in the direction suggested.

I have the honor to be,

Sir,

Your most obedient servant,

(Signed) C. G. MASTER,

Acting Secretary to Government.
