Nature of the grant, charity or service; if of the duty prescribed by the grant.	Name of the last holder, date of his decease, and the relationship in which he stood to the grantee. 1	Neelantaravetti, a hamlet of Vedula-chervoo in the Royachoty Taluk. An annual allowance of Rs. 20-15-3 entered in No. 122 of Mr. Royle's Register, Syed Noorshah, as reported by the Sub-Collector.	Granted by Mayannah Government on the 29th Rajul of 1187 Hijri, and sanctioned by the British Government, under date the 13th July 1801, as per entry in the Register. The name of the original grantee is now stated to be Syed Nabishah, but the grant was sanctioned by the British Government to Syed Noorshah the last incumbent. No Sanads are forthcoming, with the exception of an order issued by Mr. Hambury, the Collector, under date the 27th July 1818, directing that the Yeomiah should be enjoyed by the deceased Syed Noorshah, as reported by the Sub-Collector.	Charitable Yeomiah granted to a Maknadar, as per entry in the old Register on record in this office.	Syed Noorshah, the last incumbent, died on the 16th September 1869. He is reported to be the son of the original grantee, Syed Nabishah, whose name is entered in the accounts of Fasli 1220 (1810-11).	The whole allowance was enjoyed by the deceased.	This is a Yeomiah originally granted to Maknadar Syed Nabishah by the Mayannah Government, and appears to have been renewed by the British Government in the name of his son, the deceased Yeomiahdar, named Syed Noorshah, under date the 13th July 1801. On the death of the last incumbent, a tabular report in the prescribed form was received from the Sub-Collector recommending the continuance of the allowance to his 2nd son Syed Ali, on the grounds that the service is being performed, that the elder son of the deceased is not in his right mind, and that the consent of the family has been obtained to the 2nd son succeeding to the grant.

Proceedings of the Madras Government, Revenue Department,
9th November 1874.

No.	Taluk and Village, extent and value of the entire it.	When and by whom granted, name of the original grantee, Sanads or other documents in support of the grant.	Nature of the grant, charity or service, if service, nature of the duty prescribed by the grant.	Name of the last holder, date of his decease, and the relationship in which he stood to the grantee.	Share enjoyed by the deceased, and that held by other members.	Family left by the deceased, and name and age of the parties, their circumstances, and the means of subsistence possessed by the family.	Remarks.
1.	Taluk of Royachol, an annual allowance of Rs. 20-15-3, entered in No. 120 of Mr. Row's Register, Statement Z.	Granted by Mysnah Government on the 2nd Rajal of 1176 Hijri, and sanctioned by the British Government, under date the 15th July 1801, as per entry in the old records on record in the office.	Charitable Yeomiah grant, made to a Makandar, as per entry in the old records on record in the office.	Syed Abdoolecader, the last incumbent, died on the 15th October 1871. He was the grandson of the original grantee.	The whole amount was enjoyed by the deceased.	1. Syed Hyder Sahib, son of the deceased, aged 40 years. 2. Syed Mohadddeen Sahib, 2nd son of the deceased, aged 38 years. 3. Syed Nabbee Sahib, 3rd son of the deceased, aged 31 years. 4. Syed Mahammed Sahib, 4th son of the deceased, aged 29 years. 5. Syed Joof Sahib, 5th son of the deceased, aged 23 years. They are reported to be in independent circumstances. They possess some laam lands in the villages of Bundiapally and Abbaram in the Royachol Taluk, consisting of A. 23, K. 19, V. 14, bearing an assessment of Rupees 8-15-11.	This is a Yeomiah originally granted to Makandar Kazi Darwasah by the Mysnah Government, and appears to have been renewed by the British Government in the name of his grandson, the deceased Yeomiah, named Syed Abdoolecader, under date the 15th July 1801. The Sub-Collector, on the death of the last incumbent, submitted a tabular report, recommending the allowance to be registered in the name of Syed Hyder Sahib, elder son of the deceased, as the service is still being performed at a tomb of his ancestors; but in the annual Yeomiah list submitted to the Board of Revenue, the deceased Yeomiah had been entered under the head "for life." Doubts then arose as to the further continuance of the allowance, and a long unsuccessful search has been made in the office records to ascertain the real nature of the grant. As the word "Makandar" appears in the office old register, it is inferred that it was granted for rendering service to the religious institution, and so entered in the certificate granted to the deceased by a former Collector, under date the 5th July 1850; and as the Sub-Collector reports that the service is still being performed, I recommend that the allowance may be registered in the name of Syed Hyder Sahib, eldest son of the deceased, from 15th October 1871, with arrears due to the deceased before his death.

Proceedings of the Madras Government, Revenue Department,
9th November 1874.

From J. D. B. GRIBBLE, Esq., Acting Sub-Collector, to W. D. HORSLEY, Esq., Collector of Cuddapah, dated Madanapally, 16th July 1874, No. 378.

With reference to your foot-note of the 16th May 1874, to the official memorandum from the Board's Acting Sub-Secretary, under date the 7th idem, No. 579, I have the honor to state that the "Makan" therein referred to is an ancient tomb at which vows and other services are performed by visitors, and is considered by the Mahomedans as a religious institution.

2. The nature of the service rendered by the present applicant, Syed Alli, is to be always in attendance at the tomb, and daily to keep lights and offer prayers.

3. The draft copy of the tabular report received with your foot-note under acknowledgment is herewith returned.

From the same Officer, dated Madanapally, 20th July 1874, No. 379.

ADVERTING to the official memorandum from the Acting Sub-Secretary to the Board of Revenue, dated 7th May last, No. 580, communicated to this office under your foot-note, No. 267 of the 21st idem, I have the honor to state that the tomb therein referred to is venerated as that of a person of reputed sanctity, and the service rendered by the Makandar is more of a charitable than of a religious character.

No. 169.

SUBMITTED to the Board with reference to Official Memorandum, No. 580, dated May 7th, 1874.

SUBMITTED for the orders of Government.

2. These papers relate to two religious service Yeomiahs that were discontinued on the death of the late incumbents, one in 1869 and the other in 1871, because they were described in the annual Yeomiah lists as grants "for one life." The present Collector regarding this as a mistake recommends their renewal and continuance with arrears to the heirs of the late incumbents on the ground that they are religious service grants and that the service is regularly performed.

3. He is unable to explain how they came to be entered in the Yeomiah list as "for one life;" but the Board think it probable that the entry originated with reference to Extract from Minutes of Consultation, dated 21st October 1851, the order quoted in the Civil Auditor's list of pensions, etc., in support of the grants, para-

graph 1 of which, referring to certain allowances retrenched by the Civil Auditor, sanctioned their continuance to existing incumbents, but directed that on the occurrence of lapses, the circumstances of each family should be reported, and that no further payment should be made without the previous sanction of Government.

4. As the allowances were originally granted for religious service which is duly kept up, the Board are of opinion that under Standing Circular No. 180, they should be continued with arrears to the heirs of the last holders as recommended by the Collector.

Tabular Report on a lapsed Yeomiah Pension in the District of Cuddapah.

Read the following papers :-

No.	Talaq and Vil- lage; extent and value of the entire Inam.	When and by whom granted; name of the original grantee; Sanads or other documents in support of the grant.	Nature of the grant, charity or service; if service, nature of the duty prescribed by the grant.	Name of the last holder, date of his decease, and the relationship in which he stood to the grantee.	Share enjoyed by the deces- ed, and that held by other members.	Family left by the deceased, and name and age of the parties, their circumstances, and the means of subsistence possessed by the family.	Remarks.
1	Neelamurtarow- pet, a grant of Vedullachervoo in the Royachow Taluk. An an- nual allowance of Rs. 20-5-5 granted by No. 123 of Mr. Ross' Register, State- ment Z.	Granted by Maynah Govern- ment, the 29th Rajul of 1187 A.D. sanctioned by the British Government, under date the 13th July 1801, as per entry in the Ro- yal Gazette. The name of the original grantee is now stated to be Syed Nabishah, but the grant was sanctioned by the British Government to Syed Noorshah the last incumbent. No Sanads are forthcoming, with the exception of an order issued by Mr. Hanbury, the Col- lector, under date the 27th July 1818, directing that the Yeomiah should be enjoyed by the deces- ed Syed Noorshah, as reported by the Sub-Collector.	Charitable Yeomiah grant- ed to a Makaan- dar, as per entry in the old Regis- ter on record in this office.	Syed Noorshah, the last incumbent, died on the 18th September 1869. He is reported to be the son of the original grantee Syed Nabishah, whose name is en- tered in the ac- counts of Fasil 1220 (1810-11.)	The whole allowance was enjoyed by the deceased.	1. Fatmabee, widow of the de- ceased, aged 80 years. 2. Nabishah, eldest son of the de- ceased, aged 36 years. 3. Syed Ali, 2nd son of the de- ceased, aged 30 years. 4. Darbeeshah, 3rd son of the de- ceased, aged 13 years. 5. Nanneshah, 4th son of the de- ceased, aged 8 years. The family is reported to be in indigent circumstances. They possess also Khayateen Inam con- sisting of A. 5, O. 23, V. 10, bear- ing an assessment of Rupees 8-0-5.	This is a Yeomiah originally granted to Makaan- dar Nabishah by the Maynah Government, and appears to have been removed by the British Government in the name of his son, the deceased Yeomiahdar, named Syed Noor- shah, under date the 13th July 1801. On the death of the last incumbent, a tabular report in the prescribed form was received from the Sub-Collector recommending the continuance of the allowance to his 2nd son Syed Ali, on the grounds that the service is being performed, that the elder son of the deceased is not in his right mind, and that the consent of the family has been obtained to the 2nd son succeeding to the grant. In the lists of Yeomiahs annually submitted to the Board of Revenue, the deceased Yeomiahdar has been entered under the head "for one life." With reference to this entry, this Yeomiah was considered by Mr. Master, the late Collector, to have lapsed to Government with the death of the deceased, but the Sub-Collector has strongly urged his continuance to the 2nd son of the deceased on the grounds that service is being performed, and because the certificates granted to the deceased Yeomiahdar by Mr. Cochrane, a former Collector, under date the 16th April 1850, contains a condition of the grant "for life of the present incumbent and hereditary as long as the service is performed." An unsuccessful search has been made in the office records to discover the Government Order on this subject. In order to find out some clue to the entry "for life," made in the annual list of Yeomiahs, the original list first sent to the Board of Revenue from this office, under date the 10th December 1855, was obtained from the Board's Office, with their Official Memorandum No. 1,608, dated 29th October 1873, and a further search has been made in the Vernacular records, but to no effect. From the words Makaan- dar appearing in the register, I imagine that the allowance was granted for services rendered to a Makaan, and as the Sub-Collector reports that the service is still being performed, I beg to recom- mend that the allowance may be continued to Syed Ali, 2nd son of the deceased, from the 17th September 1869.

reference to Extract from Minutes of Consultation, dated 21st October 1851, the order quoted in the Civil Auditor's list of pensions, etc., in support of the grants, paragraph 1 of which, referring to certain allowances retrenched by the Civil Auditor, sanctioned their continuance to existing incumbents, but directed that on the occurrence of lapses, the circumstances of each family should be reported, and that no further payment should be made without the previous sanction of Government.

4. As the allowances were originally granted for religious service which is duly kept up, the Board are of opinion that under Standing Circular No. 180, they should be continued with arrears to the heirs of the last holders as recommended by the Collector.
