Proceedings of the Madras Government, Revenue Departmnet,
11th November 1874.

No. 90. Read the following Endorsement of the Under-Secretary to the Government of India, Department of Revenue, Agriculture, and Commerce, (Land-revenue and Settlement,) dated Calcutta, 31st October 1874, No. 891 :—

Read the following humble Manu of VENKATASOOBA IYER, residing at Toraiyur, Musiri Taluq, Trichinopoly District, Madras Presidency, to His Lordship the Governor-General of India in Council, dated 14th October 1874.

I MOST respectfully and humbly beg to submit that, for my petitions of the 8th January and 26th April 1874, I received an endorsement from your Lordship, dated the 12th May 1874, stating that my petitions are sent for disposal to the Secretary of the Agricultural Department. But I received no permission up to this time from the said Secretary.

2. Therefore, the revenue due to the choultry (and a great sum of which is in arrears) cannot be exacted, and the charity choultry cannot be repaired. Moreover, I have mentioned in my former petitions that I am unable (for the claim of the Government) to file magistrate or civil suits against those who, as they like, cut down and carry away for their own use the Tamarind trees from the Tamarind tope belonging to the choultry.

3. Therefore, I most humbly beg your Lordship would be pleased to direct the Government of Madras to issue orders on my behalf to the effect that the claim of Government may not be a barrier to my undertaking magistrate and civil suits, and that the provisions of the "Limitation Act" may not prevent the collection of the revenue of the past years properly due to the choultry, but in arrears exclusively through the nonallegiance of the tenants.

FORWARDED to the Government of Madras in continuation of the communication from this Office, No. 383, dated the 16th May 1874.

(By Order,)

Under-Secretary to the Government of India.
