REVENUE DEPARTMENT,
FORT ST. GEORGE,
21st November 1874.

No. 1,

No. 122.

To

THE CHIEF SECRETARY TO THE GOVERNMENT OF BOMBAY.

Separate Revenue, No. 14.
Salt.

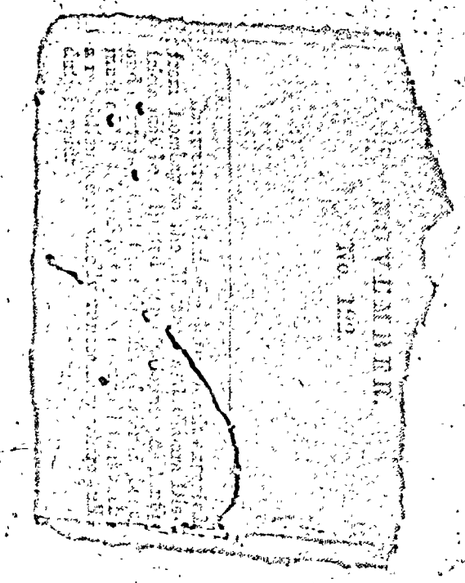

SIR,—The Government of Bombay have learnt from my letter of 30th October 1874, No. 1,377, that this Government has decided not to increase the price of salt in the Malabar and South Canara Districts consequent upon the recent change under which the duty on salt is levied in Bombay.

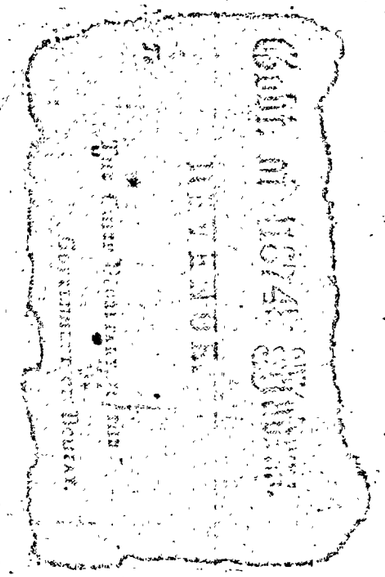

2. In order that the prime cost of the Bombay salt exported to those districts may be reduced as much as possible, I am directed, with reference to the enclosed Proceedings of the Board of Revenue, dated July 1873, No. 1,381, paragraph 6, to request that the Government of Bombay will be good enough to arrange, in accordance with the Board's proposal, that the duty may be adjusted by an account payment,—an arrangement which will obviate additional expense caused by interest on capital and insurance on costly cargoes.

3. It has been stated that, under instructions from the Government of Bombay, salt cannot be shipped except in bags. If this be the case, I am directed to point out that this system must add considerably to the cost, and that where full duty is paid such a restriction seems wholly unnecessary.

I have the honor to be,
Sir,
Your most obedient servant,
(Signed) C. G. MASTER,
Acting Secretary to Government.
