Proceedings of the Madras Government, Revenue Department,
25th November 1874.

Read the following letter from Colonel F. J. B. PRIESTLEY, Superintendent of Revenue Survey, to the Secretary to Government, Revenue Department, dated Chepauk, 14th November 1874, No. 3,033/92:—

I have the honor to submit Budget-estimate for 1875-76.

2. The total Budget-estimate for 1875-76 amounts to Rs. 7,00,000 against an equal sum, the allotment by the Government of India for 1874-75, and Rs. 7,01,724 the actual expenditure for 1873-74.

3. Under the orders of the Government of India, No. 3,927, of 31st October 1872, and of the Government of Madras as per margin, all the Uncovenanted Officers of Demarcation and Survey, except Mr. Bagshawe, are in receipt of higher rates of pay than hitherto sanctioned.

Dated 16th February 1874, No. 212.
" 23rd May " " 623.

4. For the speedy completion of the survey of the Cuddapah District, the establishments of Nos. 2 and 3 Survey Parties have been considerably increased.

G. O., dated 26th June 1874, No. 796.

5. In order, therefore, to meet the additional outlay, the establishment of No. 1, Coimbatore Survey Party, chiefly has been reduced and expenditure under miscellaneous heads of charges been restricted.

Vide Fort St. George Gazette of the 3rd November 1874, page 1,567.

6. For the above reason and for those explained in my letter printed in G. O., No. 151, of 20th January 1868, the expenditure on account of re-measurement allowance has been limited to a small sum in the Regular Estimate for the current year.

7. Under the above explanation, I request that the Government will be pleased to sanction the amount applied for, viz., Rs. 7,00,000.

THE Budget-estimate of the Survey Department for 1875-76, submitted with the Superintendent's letter above recorded, amounts to Rs. 7,00,000 which is equal to the grant for the current year, and is less than the actuals of 1873-74. The Regular Estimate shows that almost the entire sum allotted for the department in this year's Budget will be spent. Under these circumstances, the Budget-estimate for the next year is passed.

ghaut has suffered much more than has the Sub Division. This is natural as Cuddapah is lower down the Water shed.

2. From the state in which the country is from excessive rain I have not been able to hear much of what is going on in the District the river Papagni having completely cut me off in this Taluk from both Cuddapah and Madanapalli. But from what I have seen of the Villages I have passed through I have observed nothing whatever in the shape of distress. The Vailpad Jaheildars report does not convey to me the meaning applied to it by the Sub Collector. Houses there like every where else have crumbled down and people have been put to great inconvenience but the absence of any thing in the shape of a flood, I do not understand how any thing like distress or want can have ensued.

3. From what I have seen of the crops will not yield a full supply. Ludzy received More rain than it wanted but the greater part of it was cut before the very heavy rain on the 23d, 24th & 25th October came on. Horse gram has suffered very much and the yield will be next to nothing. The Raggy crops I am afraid entirely destroyed. The wet crops are looking better than I have seen them for years and provided the rain does not last too long I should say the yield would be a full one.

4. The Sub Collectors rain fall register enclosed in his letter does not include
