Revenue DEPARTMENT

G.O. No. 1462 Press
B.P. No. Mis.

Dated 27.11.1874 1896 .

Not to be folded or roughly handled

No. 158. Read the following letter from J. BANBURY, Esq., Second Member of the Board of Revenue, in charge of the Settlement Department, to C. G. MASTER, Esq., Acting Secretary to Government, Revenue Department, dated Madras, 24th October 1874, No. 2,266/35 :—

I HAVE the honor to forward herewith the Budget-estimate of the Revenue Settlement Department for the ensuing official year 1875-76, and to afford explanation in regard to the provisions therein made.

2. *Central Office.*—The allotment made for the Central Office exceeds the Regular Estimate of the current year by Rs. 17,529. This is owing to the full salary of the Director being provided for, whereas in the current year there has been a considerable fortuitous saving from the post being vacant, or from merely deputation allowance having been drawn by the acting incumbent.

	Rs.
Actuals for 1873-74	46,665
Budget allotment for 1874-75	43,300
Regular estimate for do.	39,271
Budget-estimate for 1875-76	56,800

3. *Party No.* 1, *Kistna.*—As it is anticipated that the work of preparing diglott Settlement Registers, on which this staff is chiefly employed, will be brought to a close within the first half of the ensuing year, the cost of this establishment has been curtailed accordingly. Hence the great decrease below the Regular and Budget-estimate of the current year.

	Rs.
Actuals for 1873-74	29,859
Budget allotment for 1874-75	14,500
Regular estimate for do.	14,500
Budget-estimate for 1875-76	7,150

4. *Party No.* 2, *Salem and Coimbatore.*—No difference in the outturn of work proper is to be looked for between the present and coming year, but an extra establishment for the restoration of demarcation in some of the taluqs of the Salem District has just been sanctioned by Government. Consequently the cost budgeted for this party exceeds the Regular Estimate as well as the Budget allotment of the current year by Rs. 4,500.

	Rs.
Actuals for 1873-74	59,643
Budget allotment for 1874-75	49,700
Regular estimate for do.	49,700
Budget-estimate for 1875-76	54,200

5. *Party No.* 3, *Kurnool and Cuddapah.*—Here the duties are mainly confined to the preparation of accounts in connection both with the introduction of the new settlement into the four settled taluqs, and with the proposals of new schemes for the remaining taluqs. Writing up the diglott Settlement Registers will also occupy attention. Though it is anticipated that the above will be out of hand within the first half of the ensuing year, still the retention of a great number of the present hands is necessary for the whole of the year, as there will be ample work for them in connection with the introduction of the new settlement into the taluqs of Budwail, Sidhout, and Pullempett, when the new rates are sanctioned by Government. Should a new field of work be allotted to this party, additional funds will have to be hereafter provided.

	Rs.
Actuals for 1873-74	89,175
Budget allotment for 1874-75	54,800
Regular estimate for do.	53,200
Budget-estimate for 1875-76	51,800

6. A small reduction has lately been effected amongst the employés, and further curtailment is expected, to some extent, during the course of the current and ensuing years. Consequently the provision made is below the amount of the Regular Esti-

mate and Budget allotment of the current year by Rs. 1,400 and Rs. 3,000, respectively.

7. *Party No. 4, Nellore and North Arcot.*—For this party the provision stands at Rs. 2,700 less than both the Regular Estimate and the Budget allotment of the current year. This is chiefly owing to a reduction of Rs. 4,500 made in the cost of the item "Preparation of Settlement Registers and Accounts," in consequence of a great portion of both the introduction and register work in Nellore having already been finished.

	Rs.
Actuals for 1873-74	58,575
Budget allotment for 1874-75	58,300
Regular estimate for do.	58,300
Budget estimate for 1875-76	55,600

8. *Party No. 5, Chingleput.*—Field work is going on in the sub-division taluqs of this district, and the proposed settlement scheme for the principal division is now before Government. When the new rates are sanctioned, extra hands will have to be entertained. Provision has, therefore, been made in the Budget to meet the cost of this extra establishment. Hence, an increase of Rs. 7,200 over the Regular Estimate and of Rs. 7,000 above the Budget allotment of the current year.

	Rs.
Actuals for 1873-74	17,918
Budget allotment for 1874-75	40,000
Regular estimate for do.	39,800
Budget-estimate for 1875-76	47,000

9. I may note that Mr. Sullivan has, in paragraph 3 of his letter, dated the 28th May 1874, No. 1,127/16, recommended to Government that the existing establishment in Chingleput should be raised to the full strength allowed to a Deputy-Director and that the Assistant Director, Major Stuart, should be promoted to the grade of Deputy-Director, in view to his completing the field operations and submitting proposals for the settlement of the sub-division taluqs at an early period. If this proposal be sanctioned, an additional expenditure, amounting to Rs. 12,366, will have to be incurred and provided for separately.

10. *Party No. 6, Ganjam.*—Here all is now in fair working order. The provision made for this party falls below the Budget allotment of the current year by Rs. 2,960, owing to the Staff not having been as yet maintained at full strength. The small decrease of Rs. 386 below the Regular Estimate calls for no remark.

	Rs.
Actuals 1873-74	12,205
Budget allotment for 1874-75	41,800
Regular estimate for do.	39,226
Budget-estimate for 1875-76	38,840

11. *Tinnevelly.*—Copy of the Budget-estimate for the Settlement Establishment in this district, received with the Board's Proceedings No. 6,933, of the 3rd instant, is herewith forwarded. It would appear that the outlay therein provided for this Party is above the Budget grant of the current year by Rs. 2,434 and the Regular Estimate by Rs. 13,000.

	Rs.
Actuals for 1873-74	55,400
Budget allotment for 1874-75	72,568
Regular estimate for do.	62,000
Budget-estimate for 1875-76	75,000

12. *Provincial Charges.*—The only item under this head is the printing of Settlement Registers. The task is being pushed on vigorously, and the provision made is the same as in the current year.

	Rs.
Actuals for 1873-74	2,548
Budget allotment for 1874-75	7,000
Regular estimate for do.	7,000
Budget-estimate for 1875-76	7,000

13. It will be gathered from the abstract statement given below that the

total Budget-estimate for the ensuing year, including the cost of Tinnevelly Settlement and Provincial Charges, amounts to Rs. 3,93,390, which exceeds the grant of the current year by Rs. 11,422 and the Regular Estimate by Rs. 30,393. The Imperial charges of the settlement proper amount to Rs. 3,11,390, which stands above the Regular Estimate and the Budget allotment of the current year by Rs. 17,393 and Rs. 8,990, respectively:—

14. The large increase of Rs. 30,393 in the provision for the ensuing year over the Regular Estimate of the present is owing to a larger anticipated outlay in Tinnevelly to the sum of Rs. 13,000, as well as to the considerable saving in the "Director's salary" effected, as above explained, by acting allowances and by the duty having been done by a Member of the Board for some months during 1874-75.

No. 159. ORDER THEREON, 27th November 1874, No. 1,462.

Land Revenue, No. 5.

THE proposed Budget-estimate of the Settlement Department amounts to Rs. 3,93,390* against the grant of Rs. 3,82,000 for the current year.

2. Mr. Banbury has redistributed *the grant* which he should not have done without sanction. The *grants* for the several parties, inclusive of the establishment under the Collector of Tinnevelly, and the estimates now proposed, are, therefore, compared in the subjoined table:—

3. The increase in the Central Office is, the Government observe, owing chiefly to the salary of the Uncovenanted Assistant having been recently raised from Rs. 350 to Rs. 500 per mensem according to the sanctioned scale. Such a material alteration in the estimate should have been explained in Mr. Banbury's covering letter or statement. There is also a small increase under servants "below 50 Rupees." Under miscellaneous there is a decrease of Rs. 772, and the result, on the whole, is an increase of Rs. 1,100, which is moderate.

4. The estimate for Party No. 2, though less than the grant for the current year, is above the regular estimate (Rs. 49,700); but Mr. Banbury explains that while the outturn of work expected from this Party next year is the same as that in the present year, the restoration of the demarcation of some of the taluqs in the Salem District recently sanctioned will render some extra establishment necessary.

5. The provision made for Parties Nos. 3 and 4 is fully explained in paragraphs 5 to 7 of Mr. Banbury's letter, and requires no remark.

6. The estimate for No. 5 or Chingleput Party shows an increase of Rs. 31,300 above the grant for the current year, but compared with the regular estimate, the excess is only Rs. 7,200. The proposed scheme of settlement for the principal division of the district is now before Government, and when its introduction is sanctioned an extra establishment will have to be entertained. Besides, field-work is now in progress in the sub-division taluqs of the district.

7. The estimate for No. 6, or Ganjam Party, requires no remark.

8. The last item of Rs. 7,000 is the [illegible] for printing settlement registers and reports. Mr. Banbury treats this as a provincial charge, but such is not the case. His attention will be drawn to paragraph 4 of G. O., dated 17th December 1872, No. 1,685.

9. Mr. Banbury's total estimate of Rs. 3,18,000 in round numbers for the Settlement Department proper is passed. Mr. Sullivan's letter, dated 28th May 1874, No. 1,127/16, proposing to raise the establishment in the Chingleput District to the full strength allowed to a Deputy-Director is under the consideration of Government. They are not, however, disposed to recommend a larger estimate than that now passed,

and any additional expenditure that may be found necessary may be met from savings from the estimates for the other parties.

10. The estimate for the establishment under the Collector of Tinnevelly amounts to Rs. 75,000 against Rs. 55,000, the grant for the current year. The Government are aware that the latter sum is that allotted for 1873-74 and repeated in the Budget for 1874-75 without any revision, and it appears to have been found necessary in the current year to transfer a portion of the grant for the Settlement Department proper to meet the cost of the Tinnevelly establishment. The Regular Estimate for the current year amounts to Rs. 62,000, and no explanation whatever is given for fixing the estimate for the next year at Rs. 75,000, which is, therefore, reduced to Rs. 65,000.

11. The total estimate passed for settlement purposes is Rs. 3,83,000 against the grant of Rs. 3,82,000 for the current year.

From,

Geo. Bambury Esqre
2nd Member, Board of Revenue
&
Ex-officio Secretary to the Settlement Dept.

To,

C. G. Master Esquire
Acting Secretary to Government
Revenue Department

Sir,

I have the honor to forward herewith the Revenue Estimate of the Revenue Settlement Department for the ensuing official year 1875-76, and to offer an explanation in regard to the provisions therein made.

Central Office

Actual for 1873-74 - 41,185
Budget allotment for 1874-75 - 42,200
Regular Estimate for —— - 39,271
Budget Estimate for 1875-76 - 56,800

The allotment made for the Central Office exceeds the Regular Estimate of the current year by Rs. 17,529. This is owing to the full salary of the Director being provided for, whereas in the current year there has been a considerable fortuitous saving from

from the post being vacant or from merely deputation allowance having been drawn by the actual incumbents.

3. It is anticipated that the work of preparing Register Settlement Registers, on which this staff is chiefly employed, will be brought to a close within the first half of the ensuing year, the cost of this Establishment has been curtailed accordingly.

4. The great decrease below the Regular and Budget Estimates of the current year.

5. No difference in the outturn of war proper is to be looked for between the present and coming year, but an extra Establishment for the purpose of demarcation in some of the Talugs of the Salem District has just been sanctioned by Government. Consequently the cost budgetted for this party exceeds the Regular Estimate as well as the

6. Here the duties are mainly confined to the preparation of accounts in connection both with the introduction of the new settlement into the four settled Talugs and with the proposals of new schemes for the remaining Talugs. Writing up the Register will also occupy much attention. Though it is anticipated that the above will be out of hand within the first half of the ensuing year still the reduction of a great number of the present Establishment is necessary for the whole of the year, as there will be much work for them in connection with the introduction of the new settlement into the Talugs of Budwail, Nedlam and Pullampett when the new rates are sanctioned by Government.

Actuals

should a new section be created
attached to the Party, additional Sections & Clerks to them
after prepared.

6. A small reduction has
lately been effected in the
the employed, and further re-
trenchment is expected to some
extent during the course of the
current and ensuing years. In
Consequence the provision made
is below the amount of the
Regular Estimate and Budget
allotment of the current year
by Rs 11,000 and Rs 3,000 respectively.

7. For this Party the provision stands at Rs 2,500 less than both the Regular Estimate and the Budget allotment of the current year. This is chiefly owing to a reduction of Rs 4,500 made in the cost of the item "Repairs of Settlement Registers and accounts," in consequence of a great portion of both the Introduction and Registration work in Cultivators having already been

finished.

8. Field work is going on in the Subdivision Tekari of this District, and the proposed settlement scheme for the Gaighat Division is now before Government. When the new rates are sanctioned, extra hands will be employed, & the work be prosecuted. Provision has therefore been made in the Budget to meet the cost of the extra Establishment. Hence an increase of Rs 11,000 on the Regular Estimate, and of Rs 7,000 on the Budget allotment

I may add that the Settlement Officer in charge of this District reports that the Ryots are willing to accept the new rates, should they be reduced to the full strength

to the grade of Deputy Collector for
the purpose of completing the
settlement operations and submitting
proposals for the establishment
of the subdivisions Tallaga & Ka-
-na early periods of their
proposals to be considered, an
additional expenditure amount-
ing to Rs 1234 will be
incurred and provided for
estimate.

10. There is no new
undertaking under the proposed
new for this year. The following
Budget Estimate of Rs 29,600 being
the amount Expended by Rs 29,600 during
the last year not having been
sufficient to meet the charges
of the current year. The increase
of Rs 2,834 is detailed below
and explained in the
remarks column.

is the printing of Settlement

pressed on vigorously and the
progress made is the same
as in the current year.

13. It will be gathered from
the abstract statement given
above that the total Budget
Estimate for the current year
including the cost of Annually
Settlement and Provincial C.
charges amounts to Rs 3,98,370
which exceeds the grant of
the current year by Rs 11,422
and the Regular Estimate by
Rs 50,393. The Imperial charg-
-es of the Settlement proper are

To Rs 311,390 which shall be borne the Provincial Revenue and the Zemindari allotments of the current year by Rs 17,393 and Rs 8990 respectively.

No 2 though less than the grant for the current year is above the regular estimate

estimated at Rs 9,700 but that Mr Bambury explains that while the out-turn of work executed from this ~~entry~~ year is the same as that in the previous year the restoration of the demarcation of some of the Talugs in the Salem District recently sanctioned will render extra establishment necessary.

5. The provision made for parties Nos 3 & 4 is fully explained in paras 5 to 7 of Mr Bambury's letter and

6. The estimate for No 5 or Chingleput shows an increase of Rs 3,300 above the grant for the current year, but compared with the

the Regular establishment the excess is only Rs 750. The proposed scheme of settlement for the Principal Division of the District is now before Government and when its introduction is sanctioned extra establishment will have to be entertained. Besides field work is now in progress in the Sub-Divisions Talugs of the District.

7. The estimate for No 6 or Ganjam requires no remark.

8. The last item of Rs 7,000 is the usual provision for printing settlement registers and reports. Mr Bambury treats this as a Provincial charge but such

such is not the case, His attention will be drawn to para 4 of G.O. dated 17th December 1872, No. 1685.

9. The Bankura total estimate of Rs. 3,18,000 in round numbers for the Settlement Department proper is passed. Mr. Sullivan's letter dated 28th May 1874 No. 1127/16 proposes to raise the establishment in the Chittagong District to the full strength allowed to a Deputy Director is under the consideration of Govt. 6. They are not however disposed to recommend a larger estimate than that now passed and any additional

additional expenditure that may be found necessary must be met from savings from the estimates for the other parties.

10. The Estimate for the establishment under the Collector of Jumeerally amounts to Rs. 75,000 against Rs. 55,000 the grant for the current year. The Govt are aware that the latter sum is that allotted for 1873-74 and repeated in the Budget for 1874-75 without any revision, and it appears to however necessary in the current year to transfer a portion of the grant for the Settlement Dept.

1452/15

Dept. proper to meet the cost of the Timmelly establishment. The regular estimate for the current year amounts to Rs. 62,000, and no explanation whatever is given for fixing the estimate for the next year at Rs. 75,000, which is the figure agreed to Rs. 65,000.

11. The total estimate passed for settlement purposes is Rs. 3,83,000, against the grant of Rs. 3,82,000 for the current year.
