Proceedings of the Madras Government Revenue Department,
27th November 1874.

No. 160. Read the following letter from Captain C. WALKER, Officiating Inspector of Forests, to C. G. MASTER, Esq., Acting Secretary to Government, Revenue Department, dated Ootacamund, 15th October 1874, No. 378:—

WITH reference to paragraph 6 of Proceedings of Revenue Board, No. 167/2,639, dated 16th September 1874, I have the honor to report that as Mr. Thomas has since been transferred to another district, I do not consider that it will now be necessary or expedient to transfer Mr. Cherry, who is well acquainted with the South Canara District and language, and who requests that he may be allowed a fair trial under Mr. Webster, who was satisfied with the mode in which he performed his duties before, and who is willing that he should remain.

2. With regard to the accusations brought against Mr. Cherry by Mr. Thomas, I may state that the former emphatically denies any insubordination, assumption of undue authority, or negligence, and states that the only reason he had for remaining so long at headquarters was the mass of references thrown upon him by Mr. Thomas, with which his office (consisting of one Clerk) was quite unable to cope.

3. Under the circumstances, without offering any opinion on the merits of the case, which I am not called upon to do, I venture respectfully to suggest that Mr. Cherry be afforded an opportunity of replying to Mr. Thomas's aspersions, and that Mr. Webster be directed to report on his conduct and competency for his charge after, say, six months.

4. The report called for by the Board in Proceedings, No. 167A/2,640 dated 16th September 1874, I shall submit after visiting the district and conferring with Mr. Webster.

No. 161. ORDER THEREON, 27th November 1874, No. 1,463.

Forests, No. 11.

RECORDED, with reference to G. O., 2nd November 1874, No. 1,382.

2. The Inspector, it is observed, was requested by the Board "to report direct to Government the arrangements by which he thinks this" (Mr. Cherry's) "transfer can best be carried out."
