*Proceedings of the Madras Government, Revenue Department,
30th November 1874.*

No. 175. Read the following Proceedings of the Board of Revenue, dated 16th November 1874, No. 3,297:—

Read the following letter from J. B. PENNINGTON, Esq., Acting Collector of Trichinopoly, to J. GROSE, Esq., Secretary to the Board of Revenue, dated 4th November 1874, No. 272:—

I HAVE the honor to report that the Accountant-General objects to pass the salary of the establishment of a passed Assistant Collector on the ground that the Additional Deputy Collector, Sivasankara Moodelliar, under whom it was ordered* to be retained, gave over charge of his appointment on the 31st July last and that there is no Assistant who is entitled to the establishment.

2. If, on the departure of Sivasankara Moodelliar, I had dispensed with the services of the establishment the whole work and records must have been transferred to the Collector's establishment and great confusion and delay in the transaction of the duties would have resulted, the Collector's establishment being ignorant of all that was going on in that office, and, as Mr. Moore was likely to revert to his appointment of Assistant Collector almost immediately, I refrained from dispensing with the establishment at once.

3. I regret that sanction was not specially applied for, and request that sanction may be obtained now for the pay of the establishment for the three months and that I may be authorized to retain it during the remaining absence of Mr. Moore from the office of Assistant Collector.

The establishment ought not to have been retained, and should be forthwith discontinued.

2. The sanction of Government will be requested for the disbursement of pay during the period the establishment was actually employed.
